Why would you like to participate in this course?

Describe how participation in this course would enhance your career goals.

Return to Peggy Ellington (English and Foreign Languages - English Building 223) or  
Dr. Tom Weiland (Geology & Physics - Roney 212) by October 20, 2004

TRAVEL TO COSTA RICA

EXPERIENCE THE RAIN FOREST

LEARN ABOUT ANTOHER CULTURE

TAKE UNIV 4000

In the Spring Semester, UNIV 4000 will provide a service learning experience for 15 undergraduate students selected through application.

Taught by Drs. Tom Weiland, Joe Johnson, and Peggy Ellington, the course will focus on Costa Rica and will culminate with travel to Costa Rica from May 10-20 to work on a Habitat for Humanity project and to see the rainforest, active volcanoes, and other sights. The majority of travel expenses are paid by the University. Each student will be asked to raise \$200 through various means as part of the course.

UNIV 4000 is a 3-credit course, which will meet MWF (time TBA) during Spring 2004. You will study about Costa Rica in preparation for the trip in May. Students will be expected to become knowledgeable about various aspects of Costa Rican culture and will have the opportunity to study specific areas related to their major.

Admission is by application only. The **application deadline is October 20**. Applications are available in the Office of Student Life (Marshal Student Center), the Academic Affairs Office (2<sup>nd</sup> Floor Administration Building) or the offices of Drs. Ellington, Weiland or Johnson. Applications are due by 5pm on October 20, and students will be notified prior to pre-registration so they can enroll.

- \*Three credit course meeting MWF (time will be decided after first meeting)
- \* Habitat Project Host: Costa Rica
- \* Your current financial aid applies to tuition cost of the course

**For more information, contact: Dr. Peggy Ellington (931-2198), Dr. Tom Weiland (931-2327), or Dr. Joe Johnson (931-2191)**
