Mission Statement:

Career Services is committed to providing progressive, timely, and comprehensive services of the highest quality to Georgia Southwestern State University students and alumni. Career Services is dedicated to promoting optimal career development to all students and seeks to effectively provide meaningful work experiences in preparation for a global job market.

To accomplish this, we:

- Support the institutional mission through responsible use of all available resources;
- Continually assess and respond to the needs of our constituents;
- Promote individual career development to empower students to define and achieve their goals;
- Develop effective partnerships with employers, alumni, and the campus community.

Career Services is committed to helping students and employers connect!

Give others a chance to follow in your footsteps.

Are you looking for qualified candidates for your company? Look no longer.

Georgia Southwestern State University is a prime source for quality educated candidates. When you need personnel who have earned or are in the process of earning a degree, you are invited to utilize the services offered by GSW Career Services. You may want to list a vacancy, conduct on-campus interviews, and receive resumes of qualified candidates. Whatever your needs, the main goal of the Career Services Center is to provide you with quality services to meet your human resources needs.

Here are a few services we have to offer at No Charge:

- Listing Vacancies: Employers are encouraged to list part-time, full-time, internship, coop, or seasonal position openings at any time by e-mail, fax, mail, or telephone.
- On-Campus Recruiting: We will make arrangements for you to meet individually with students to discuss part-time, full-time, coop, and internship positions.
- Resume Referral Service: We will advertise your job openings, collect resumes, and forward them to you for your review.
- Information Sessions: We will arrange meetings with appropriate faculty and student groups if you wish to discuss your organization and hiring needs.
- Cooperative Education—Internships: We can help you connect with students seeking internships through campus interviewing, resume referrals, and job postings.

- On-Line Resume Database: Employers can access the georgia-hire.com resume database free. Georgia Hire is a centralized job posting and resume database system to link employers to university students and graduates!
- Part-Time/Full-Time Employment: Part-time and full-time jobs are posted on the Job Connection Board at Career Services. Students are encouraged to come by and view these listings.

We will do whatever it takes to make your recruiting efforts successful!
