

ITAC meeting minutes

August 13, 2003

1. Gary Fisk was elected chair for the 2003-2004 academic year.
2. Student technology fee funds:
 - A. A subcommittee was formed to get student input on possible projects that would be good technology enhancements. It was emphasized that that candidate projects need to be realistic. Bryan Davis also volunteered to get input from students in his English 1101 classes. We will discuss and recommend projects for funding at the next meeting.
 - B. Project ideas from the committee: Web terminals for the student center; Network upgrades for the dorms; Security system for the dorms (from Darcy Schraufnagel); DVD duplicator for OIT; Student workers for computer labs
3. General ideas for improvements that came up during the discussion of student technology fees
 - A. Improved training for students
 - B. Getting out information to new students about what a good computer system would be.
 - C. Fliers publicizing available computer and technology resources
 - D. Cards for feedback from users of the computer labs.
4. Possible points for discussion at later meetings
 - A. Security vs. accessibility (Lawson)
 - B. ITC trying to expand services with fewer student workers (Hackett)
 - C. Technology grants (Pope Johnson)
 - D. Guidance for improving faculty use of web pages.

Next meeting: 3:00 on September 17 in the OIT conference room.

Attendance: Debra Pope Johnson, Nancy Morris, Royce Hackett, Vera Weisskopf, Anthony Ianno, Gary Fisk, Stephanie Harvey, Bryan Davis, Steven Galatas, Chuck Lawson, Mohammed Talukdar, and Carl Mueller
