CREATING A QUIZ IN GAVIEW

Dr. Stephanie G. Harvey

GO TO ASSESSMENTS – QUIZ AND THEN SELECT “NEW QUIZ”
ON THE PROPERTIES PAGE THERE ARE SEVERAL TASKS

• Name quiz
• The button for add/edit questions is also on the top half of this page.

For security reasons, you should check:

• Disable right click
• User can't use email tool etc. while in a quiz.
SELECT THE ADD/EDIT QUESTIONS. TWO OPTIONS

• Add questions from the question library directly into the quiz

CREATE A QUESTION POOL FOUND UNDER “NEW”

• A question pool allow you to select a pool of questions and then set the quiz to randomly select a specific number for each student quiz.
SELECT QUESTION FROM LIBRARY FOR QUESTION POOL

CLICK “DONE EDITING QUESTIONS”

- Now questions are visible on Properties page.
