*The charge for transportation from GSW to Columbus (Groome Transportation, Greyhound station, or the Columbus airport) is $10. Each student can take one big bag and one small bag. There is a $10 charge for each extra bag/item.

**Transportation from Columbus to GSW is free for returning and new GSW/ELI students. Students can be picked up in Columbus at the airport, Greyhound station, or the Groome location. Students must give notification of arrival day/time and location at least 5 days in advance. Returning students are limited to one big and one small bag. New students are allowed to bring two big bags and one small bag.

Space in the van is limited (usually 7 passengers per trip), so the students who register and pay the fees first have the highest priority.

***Dates/times are tentative. If no one has signed up for specific trips by 5 days before the trips, the trips may be cancelled. If changes are made to the schedule, the changes will be announced by e-mail.
