Important Notice!

**The following series of immunizations are REQUIRED by the Georgia Southwestern State University Health Center to be completed PRIOR to your arrival in the U.S. in order for you to register for classes as a student at the GSW ELI:

- MMR
- Measles
- Mumps
- Rubella
- Varicella
- Tetanus-Diptheria

Other immunizations such as Meningococcal, Hepatitis B, Human Papillomavirus, Hepatitis A, and Influenza are not required, but are strongly recommended, especially for students who will be living on campus.
