Study Abroad in Peru
Spring Break
March 14-23, 2014

UNIV 4000, a 3 credit hour class that combines the study of the history and culture of a country with an in-country service learning experience, is back. Students will spend 8 days in Peru, building homes for the Millard Fuller Center for Housing. Students who wish to be considered for this unique opportunity should pick up an application form from the office of Dr. Nedialka Iordanova, Roney 319 - forms will be on the door. The application should be filled out and returned no later than November 12th with a $100 deposit to guarantee your spot on the trip. Interviews will be conducted and selection for the course will be announced in advance of registration. The class is limited to 10 students. In addition to the cost of the three credit hours, students will be expected to pay $950, which will cover a portion of the total trip expenses. Another portion of the total costs for flight, housing, food, and donations to the in-country host will be covered by Georgia Southwestern State University funds. The class will meet during Spring semester, prior to the trip. We will depart for Peru, March 14th, and arrive back on March 23th. NOTE: You must present a valid passport (or proof of application for a passport) to Dr. Iordanova by November 30th and proof of current tetanus shot, or you will be withdrawn from the class. You must also have your $950 trip fees paid and valid passport by the first day of class - no exceptions.
