Student News

Science and Math Visitation Day

On Friday, April 16, the STEM departments at GSW welcomed students from around our area to visit our biology, chemistry, and mathematics classes. The meeting was organized by: Dr. Elizabeth Gurnack – ACS local section chair and Dr. Nedialka Iordanova – ACS local section chair. The meeting was open to all students interested in learning about the exciting opportunities available at GSW and beyond. The meeting focused on the many exciting career paths available to students, including physicians and performing research.

Exceptional Biology students recognized

Four biology students, John Fountain and Stephen Griswold, were recently recognized for their superior academic achievements. John Fountain received an award on March 21 for his outstanding performance in biology. Stephen Griswold was also recognized for his achievements in biology.

Faculty News

Free performances at the Rylander theater

Free performances at the Rylander theater will be held on Wednesday, April 29 at 7:30 p.m. and Thursday, April 30 at 2:30 p.m. at the Rylander Theatre in Americus. Performances will include a variety of music and dance groups from GSW and other institutions.

Dr. Allen awarded Cannon Fellowship

Marlene Allen, Assistant Professor of English, has been awarded the Cannon Fellowship at Emory University. The fellowship is named after Sutton E. Griggs, a distinguished scholar who was a professor at Emory University. The fellowship is awarded to outstanding scholars who have made significant contributions to the field of English literature. Dr. Allen will use the fellowship to conduct research for an essay on Sutton E. Griggs's work.
