

Georgia Southwestern State University

eCore EQUIVALENTS 2017

Welcome to eCore at GSW!

eCore is a statewide collaborative program which enables students to earn core credits online while remaining enrolled at GSW.

eCore utilizes GoVIEW, to allow for asynchronous interaction through bulletin boards, chat rooms, presentations, online quizzing and other tools.
<https://go.view.usg.edu/>

Please note about registration: Students may register for an eCore class through Banner after they have completed the eCore Introduction Quiz. Visit www.ung.edu/ecore to learn more and take the quiz.

eCore adds sections based on demand. Students may receive a “closed section” message, but should try to register for the class again after waiting a few minutes.

Dates/deadlines may differ! eCore does NOT necessarily follow the same calendar as GSW. The start date, the end date, and withdraw deadlines may differ.
