

Employers

Virtual Contact for Employers: If you are an employer who needs to post a job or internship, please create an account or log in to your current one on Purple Briefcase to post the information. Once you have posted, email us at debbie.hobgood@gsw.edu if you have specific questions about your posting or would like to discuss ways to get the information out to students while they are away from campus.

We can also help you set up events in Purple Briefcase if your company is hosting virtual information sessions at your sites.
