Last Day to Request Financial Aid for Summer 2017

You must have a 1617 FAFSA.

If you have not already initiated a review for summer aid, please complete a Summer Application:

If you have initiated a review, but would like to request additional loans,
please complete a Loan Request Form:

Grant disbursements will automatically be adjusted to the number of hours reported as attended by your instructors. Loans will not disburse at all if you attend less than 6 hours.

Online courses require participation within the first week as well.
