

Do you know about the Federal requirement known as ‘Satisfactory Academic Progress’ often referred to as SAP? GSW ‘SATISFACTORY ACADEMIC

PROGRESS” is specifically for financial aid eligibility and should not be confused with GSW Academic Standards. Our Financial Aid Office has done a courtesy review of your ‘SAP’ standing through fall semester. **This courtesy review does not affect your spring awards.** Please view your ‘courtesy review results on your RAIN account’.

- Choose Financial Aid
- Financial Aid Status
- Select Aid Year (2017-2018)
- Submit

Click on Academic Progress to see more information.

Be advised: we will review your ‘SAP’ status again after grades are in for spring. At that time if you are not meeting the 67% completion rate, 150% maximum time allowed, and/or the 2.0 GPA requirement you will not be eligible for additional financial aid. If you are already on an appeal those requirements override the courtesy review.

The GSW ‘SAP’ Policy and the Financial Aid Appeal form can be found at the www.gsw.edu website. For consideration, financial aid appeals must be received in our office before the first day of class. It is your responsibility to initiate a financial aid appeal and track your academic progress.

Our office will be closed from December 18th - January 2nd. If you have questions please email us at finaid@gsw.edu or contact us Monday – Thursday from 8am - 5:00pm and Friday from 8am - 3:00pm, after January 2, 2018.

Happy Holidays!!
