HOPE/Zell Miller Scholars wishing to study as a transient student **at another HOPE eligible institution in Georgia** should complete this form. If the current semester is not an evaluation semester for you, i.e., requiring a 3.00 GPA at the end of the semester, a HOPE Scholarship Eligibility Certificate for Transient study will be sent to the institution at which you plan to study. That institution will then be responsible for disbursing the HOPE/Zell Scholarship to you. If the end of the current semester is a 30, 60 or 90 attempted hourly checkpoint for you or the mandatory End-of-Spring checkpoint, eligibility certificate will not be processed until your continued eligibility is determined.

An academic Transient Permission Form must be completed with your Academic Advisor and submitted to the Registrar's Office for clearance to enroll as a transient student at another institution (<https://gsw.edu/Assets/AcademicResources/StudentForms/TransientPermissionForm.pdf>). After the academic transient form is submitted to the Registrar's office, submit the HOPE/Zell Miller Transient Permission form to Financial Aid. **NOTE:** HOPE/Zell Scholarship payment approval during a semester of transient study in no way obligates GSW to accept the hours earned at the host institution. However, any hours attempted and grades earned at another institution, will be used in determining your continuing HOPE eligibility.

You must request that the Registrar at the transient/host institution send an official academic transcript to either the GSW Registrar's Office or Financial Aid Office at the end of semester. HOPE will NOT be paid for future semesters until the grades from your transient semester are received and processed by the Financial Aid Office.
