How to log in to GeorgiaVIEW

To log in to GeorgiaVIEW, ALL GaVIEW users have to use their CanesNet login credentials.

- If you are a GSW student:
  - Your GaVIEW username is your CanesNet username: part of the Radar email address before the ‘@’ symbol. For example, if your email address is jdoe3@radar.gsw.edu, your GaVIEW username is jdoe3.
    - Note: your GaVIEW username is not the entire email address, but the first part of it.
  - Your GaVIEW password is your CanesNet password
  - If you are a new student, you have to set up your CanesNet password using the Reset Password link located on the CanesNet Single Sign-On page or on the GaVIEW login page
  - If you forgot or need to reset your GaVIEW password, use the above links and follow the on-screen instruction.

- If you are a faculty/staff member:
  - Your GaVIEW username is your CanesNet username: first.last name (e.g. joe.doe), which is a part of the GSW email address before the ‘@’ symbol
  - Your GaVIEW password is your CanesNet password.

Please keep your CanesNet credentials in a secure place and do not share it with anyone.

- IMPORTANT: You can reset your CanesNet password at any time. You do not need to call or email GaVIEW Help or technical support; just click the “Forgot Your Password?” link and follow the on-screen instruction.
