How to open and watch the USG iTunes sessions

1. Click the link: http://itunes.usg.edu/
2. Click “Launch USG iTunes U” button

3. On the pop-up window, the iTunes is selected by default. Click OK

4. If it won’t work, click the “Launch...” button again and repeat step 3

5. A new iTunes window with all USG session will be open. Select any of the sessions in the list below
6. On the next page, double click on the session link, or select and double click on a session link if there are several sessions listed (be patient, it may take a minute or two to load) and watch the session.
7. If you would like to exit the session, hover your mouse over the screen and click the X button at the top right side. You will be returned to the previous page.

8. If you would like to get back to the list of all sessions, double click the “Board of Regents....” tab on the top menu bar:
