How to Get Rid of a Horizontal Line in MS Word 2007/2010

Occasionally in Microsoft Word, a horizontal line appears and seems to stick around no matter what you do. Here are a few short steps to eliminate it.

- Select the line and any text immediately before or after the line.
- Go to the **Home** tab and in the **Paragraph** group click on the **Border icon arrow** to open a drop-down menu.
- Select "No Border".
