YOU ARE INVITED

TO PARTICIPATE IN A SIMULATION EXERCISE ENTITLED ACIREMA

Friday, March 27th, 2015 / 10:00 a.m. to 12:00 noon
In the Old Faculty Dining Room

ACIREMA is designed to sensitize participants to the difficulties that international students encounter in their quest for a U.S. American education. It acquaints participants with the procedures students follow from initial contact with a U.S. educational institution to their arrival on campus. The cross-cultural aspects of the exercise help to explain why international students do not always accept “no” as an answer.

Faculty & Staff who interact with international students on a regular basis or who are just curious about the international student experience will find this a useful and enjoyable experience.

* The program activity is limited to 30 participants
