**FINANCIAL INFORMATION**

In accordance with regulations of the Board of Regents of the University System of Georgia, all matriculation charges, board, room rent, or other charges are subject to change at the end of any semester.

**BUSINESS REGULATIONS**

Georgia Southwestern State University, as a unit of the University System of Georgia, receives the major portion of its operating funds from the State of Georgia through appropriations.

The academic year is divided into two semesters of approximately fifteen weeks and a summer term.

Certain regulations must be observed to conform to the policies of the Board of Regents. Fees and charges are due and payable at the beginning of each term at the time of registration. Registration is not complete until all fees have been paid. Students should not begin the registration process without having sufficient funds to pay all fees.

A student who is delinquent in his or her financial obligations to the University may be administratively withdrawn from classes for the term that is unpaid. If this action is necessary, the student is not allowed to remain in class or participate in online classes. The procedures for reinstatement are as follows: 1) submit payment in full to the Student Accounts Office; 2) request reinstatement in each course and ask the instructor to email the registrar that the reinstatement is approved. Submission of payment does not ensure reinstatement.

A student who is delinquent in his or her financial obligations to the University, or to any facet of the University community, will not be allowed to register for the next term, to transfer credits to another school, to receive academic transcripts, or to graduate from the University. In some instances the financially delinquent student may be enjoined by the appropriate University official from attending classes for which enrolled and/or from taking final examinations.
A student, with outstanding financial obligations to the University, or any facet of the University community, must submit payment in cash for these obligations prior to the release of any refund and/or payroll check(s). Such penalties will accrue in addition to the penalties described above.

Fulfillment of financial obligations restores the student to is or her prior status as a member of the University community, except for academic losses which accrue as a normal result of the prior financial irresponsibility.

If any check is not paid on presentation to the bank on which it is drawn, a service charge of $15 or 5 percent of the face amount of the check, whichever is greater, will be charged. When two checks have been returned by any student's bank without payment, check cashing privileges will be suspended.

The health service fee provides for limited medical care in the University Health Center and is charged all students taking three or more semester hours of on-campus classes.

The student activity fee is assessed to all students taking three or more semester hours of on campus classes. It provides financial support for a broad program of literary, dramatic, musical, and social activities and defrays most of the expenses of publishing the newspaper and other University publications.

The athletic fee is charged all students taking three or more semester hours of on campus classes. It contributes to the financial support of inter-collegiate athletic activities.

A student residing on-campus and enrolled for one or more semester hours at any location is required to pay the health service fee, student activity fee, athletic fee and postal fee.

The technology fee and institutional fee are assessed to all students. These fees allow GSW to provide state of the art technology and instructional services to students.

A student residing on campus and enrolled for one or more semester hours at any location is required to pay the health service fee, student activity fee, and athletic fee.

**FEE PAYMENT DEADLINES**

Fee Payment Deadlines are posted under the RAIN announcement page.
A late payment fee of $50.00 will be assessed to students not paid in full by the deadline.

IDENTIFICATION CARDS

GSW provides every student with a CanesCard. The CanesCard is the official Identification Card for Georgia Southwestern State University. Students can use their CanesCard to receive financial aid refunds, access the Dining Hall, Java City, C-Store, and Canes Den. The CanesCard can also be used to make on campus and off campus purchases or access ATMs for cash. The CanesCard functions as a pre-paid DEBIT card, students can only make purchases if they have money applied to their CanesCard.

Every student will need to have a CanesCard to access GSW facilities such as the fitness center, game room, library, swimming pool, bookstore, academic computer labs, and the Residence Halls.

For new students CanesCards will be made on STORM Day and Registration Day in the Student Accounts Office located in the Marshall Student Center. The CanesCard office will be open Monday-Thursday from 9am-5pm and Friday from 9am-2pm. Students can contact the CanesCard office at (229) 931-5091 or Student Accounts (229) 931-2013 with questions or concerns.

If a CanesCard is lost, stolen, or destroyed, cards can be replaced for a $10.00 fee for the first card, and then $20 for any cards made after this point. Payment can be made in the Student Accounts Office.

SEMESTER COSTS

Matriculation charges, board (meal plans), fees and other charges are assessed on a term basis. **REFUND OF FEES**

Students who formally withdraw from the University prior to passing the 60% point in time during the term are eligible for a partial refund of fees. Refunds are made only when a student completely withdraws from the University, and no refunds are made when a student of his or her own volition reduces the course load after the add/drop period. Students may receive a refund resulting from a reduction of their course load during the add/drop period. No refunds for withdrawals will be made after passing the 60% point in time during the semester. It is the student's responsibility to withdraw officially in accordance with University regulations.

Forms for withdrawal from the University are available at Withdrawal from the University for the Semester. The completed form should be submitted to the Director of the Academic Skills Center/First Year Advocate located in the Academic Center for Excellence room 126 (229-931-7010) or faxed to 229-931-2277. A refund of tuition and fees, in accordance with federal, state, and institutional policies, will be issued within 30 days of receipt of completed withdrawal forms by the Business Office.

Students who formally withdraw from the institution on or before the first day of class are entitled to a refund of 100% of the tuition and fees paid for that period of enrollment. (First day of class is defined as "classes begin" date published in the GSW Bulletin.)
Students who formally withdraw from the institution after the first day of class but before the 60% point in time during the term are subject to guidelines established by the Board of Regents of the University System of Georgia. This policy states:

The refund amount for students withdrawing from the institution shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total calendar days in a semester includes weekends, but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the point in time that the amount equals 60%.

Students who withdraw from the institution when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges.

A refund of all matriculation fees and other mandatory fees shall be made in the event of the death of a student at any time during the academic session. (BR Minutes, 1979-80, p.61; 1986-87 pp. 24-25; 1995, p.246)

The University is required to determine how much student financial aid was earned by students who withdraw during the term. If students have "unearned aid" because they were disbursed more than they earned, it may be necessary for the unearned portion to be returned to the appropriate student financial aid fund. If the students have "earned aid" that they have not received, they may be eligible to receive those funds.

CLASSIFICATION OF STUDENTS AS RESIDENTS AND NON-RESIDENTS

A student is responsible for registering under the proper residency classification. A student classified as a non-resident who believes that he/she is entitled to be reclassified as a legal resident may petition the Registrar for a change of status. The petition must be filed no later than thirty (30) days before the term begins in order for the student to be considered for reclassification for that term. If the petition is granted, reclassification will not be retroactive to prior terms. The necessary forms for this purpose are available in the Registrar's Office or click here to access Out of State Tuition Waiver options.

To register as a legal resident of Georgia at an institution of the University System, a student must establish the following facts to the satisfaction of the Registrar:

If a person is 18 years of age or older, he or she may register as an in-state student only upon showing that he or she has been a legal resident of Georgia for a period of at least 12 months immediately preceding the date of registration.

Exceptions:

A student whose parent, spouse, or court-appointed guardian is a legal resident of the State of Georgia may register as a resident providing the parent, spouse, or guardian can provide proof of legal residency in the State of Georgia for at least 12 consecutive months immediately preceding the date of registration.

A student who previously held residency status in the State of Georgia but moved from the state and then returned to the state in 12 or fewer months.

Students who are transferred to Georgia by employer are not subject to the durational residency requirement.

No emancipated minor or other person 18 years of age or older shall be deemed to have gained or acquired in-state status for tuition purposes while attending any educational institution in this state, in the absence of a clear demonstration that he or she in fact established legal residence in this state.

If a parent or legal guardian of a student changes his or her legal residence to another state following a period of legal residence in Georgia, the student may retain his or her classification as an in-state student as long as he or she remains continuously enrolled in the University System of Georgia, regardless of the status of his or her parent or legal guardian.
In the event that a legal resident of Georgia is appointed by a court as guardian of a nonresident minor, such minor will be permitted to register as an in-state student providing the guardian can provide proof that he or she has been a resident of Georgia for the period of 12 months immediately preceding the date of the court appointment.

Aliens shall be classified as nonresident students, provided, however, that an alien who is living in this country under an immigration document permitting indefinite or permanent residence shall have the same privilege of qualifying for in-state tuition as a citizen of the United States.

**OUT-OF-STATE TUITION WAIVERS**

According to 704.041 of the Board of Regents Policy Manual, an institution may award out-of-state tuition differential waivers and assess in-state tuition for certain nonresidents of Georgia under the following conditions:

- **International and Superior Out-of-State Students.** International students and superior out-of-state students selected by the institutional president or an authorized representative, provided that the number of such waivers in effect does not exceed 2% of the equivalent full-time students enrolled at the institution in the fall term immediately preceding the term for which the out-of-state tuition is to be waived.
- **University System Employees and Dependents.** Full-time employees of the University System, their spouses, and their dependent children.
- **Full-Time School Employees.** Full-time employees in the public schools of Georgia or Technical College System of Georgia (BR Minutes, October 2008), their spouses, and their dependent children. Economic Advantage. As of the first day of classes for the term, an economic advantage waiver may be granted to a U.S. citizen or U.S. legal permanent resident who is a dependent or independent student and can provide clear evidence that the student or the student's parent, spouse, or U.S. court-appointed legal guardian has relocated to the State of Georgia to accept full-time, self-sustaining employment and has established domicile in the State of Georgia. Relocation to the state must be for reasons other than enrolling in an institution of higher education. For U.S. citizens or
U.S. legal permanent residents, this waiver will expire 12 months from the date the waiver was granted.

As of the first day of classes for the term, an economic advantage waiver may be granted to an independent non-citizen possessing a valid employment-related visa status who can provide clear evidence of having relocated to the State of Georgia to accept full-time, self-sustaining employment. Relocation to the state must be for employment reasons and not for the purpose of enrolling in an institution of higher education. These individuals would be required to show clear evidence of having taken legally permissible steps toward establishing legal permanent residence in the United States and the establishment of legal domicile in the State of Georgia. Independent non-citizen students may continue to receive this waiver as long as they maintain a valid employment-related visa status and can demonstrate continued efforts to establish U.S. legal permanent residence and legal domicile in the State of Georgia.

A dependent non-citizen student who can provide clear evidence that the student's parent, spouse, or U.S. court-appointed legal guardian possesses a valid employment-related visa status and can provide clear evidence of having relocated to the State of Georgia to accept full-time, self-sustaining employment is also eligible to receive this waiver. Non-citizen students currently receiving a waiver who are dependents of a parent, spouse, or U.S. court-appointed legal guardian possessing a valid employment-related visa status may continue to receive this waiver as long as they can demonstrate that their parent, spouse, or U.S. court-appointed legal guardian is maintaining full-time, self-sustaining employment in Georgia and is continuing efforts to pursue an adjustment of status to U.S. legal permanent resident and the establishment of legal domicile in the State of Georgia. (BR Minutes amended October 2008.)

Recently Separated Military Service Personnel. Members of a uniformed military service of the United States who, within 12 months of separation from such service, enroll in an academic program and demonstrate intent to become domiciled in Georgia. This waiver may also be granted to their spouses and dependent children. This waiver may be granted for not more than one year (BR Minutes, June 2004, amended October 2008).
Nonresident Student. As of the first day of classes for the term, a nonresident student can be considered for this waiver under the following conditions:

If the parent, spouse, or U.S. court-appointed legal guardian of a continuously enrolled nonresident student establishes domicile in another state after having maintained domicile in the State of Georgia for the required period, the nonresident student may continue to receive this waiver as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent, spouse or U.S. court-appointed legal guardian (BR Minutes, June 2006, amended October 2008).

Vocational Rehabilitation Waiver. Students enrolled in a University System of Georgia institution based on a referral by the Vocational Rehabilitation Program of the Georgia Department of Labor (BR Minutes, October 2008).

FINANCIAL AID TO STUDENTS

Students who are not regularly admitted to a graduate degree program are not eligible for financial aid.

The University provides loan programs to assist students who have financial need. Scholarships, loans, and part-time work constitute the types of financial aid. It is preferable that financial aid applications for the next academic year be filed by April 15th. Detailed information and appropriate forms may be obtained by contacting the Financial Aid Office, Georgia Southwestern State University. All awards are contingent on funds being available.

Most types of financial aid are awarded on the basis of a student's academic progress and proven financial need. As used in relation to financial aid, the term financial need means the monetary difference between the total cost of attending the University and the computed amount of financial resources which the student and the family can contribute toward the total cost. The total cost of attending the University include tuition and all fees, room and board, books and supplies, personal expenses, and allowable transportation costs.

Financial need is computed by a standard need analysis system using confidential information submitted by the parents or the independent student. The need analysis system used by Georgia Southwestern State University is the Free Application for Federal Student Aid (FAFSA) administered by the Federal Government. The analysis of a family's financial resources includes consideration of current family income, assets, family size, and number in college. Federal aid programs, state aid programs and many college programs do not permit aid awards that exceed the computed
financial need. Thus, the information on all sources of aid must be provided to the Financial Aid Office. The amount of a student's computed financial need is the total cost of attending Georgia Southwestern State University minus the computed family resources.

**Procedures for Applying for Financial Aid**

Students should complete financial aid applications as soon as possible after January 1. Application for financial aid at Georgia Southwestern State University includes the following steps:

Make application for admission to the University. Applicants for financial aid need not be accepted for enrollment before an award is packaged but must be accepted in an eligible academic program before aid is disbursed. Transfer students from other colleges must have a transcript and an admissions application on file at the time of application for financial assistance.

Once you have gathered all of your (and if required your spouse or parents') federal tax information, it is time to get started filling out the application. We strongly recommend that you complete your application over the web. This ensures a high level of accuracy because responses are checked on-line. It is more difficult to leave out information when processed on the web.

You will be required to apply for a PIN number which will be used later as an electronic signature. While you are applying for a PIN, have your parents apply for one as well. You can have the PIN number displayed immediately when applying or have it emailed to you. If you do not provide an email address, the PIN will be mailed to your home address in 5-7 business days. You can apply for a PIN at www.pin.gov.

Complete the FAFSA online (http://www.fafsa.ed.gov/) and list the GSW school code 001573. The information provided on the FAFSA is used to calculate eligibility for the federal aid, including grants, work-study, and loan programs. GSW strongly recommends that you use the IRS retrieval tool when completing the FAFSA.

If the school code 001573 is entered on the FAFSA, GSW will receive the student's financial information electronically. Until this information is received by the institution electronically, the student's file cannot be processed.

Financial aid is not automatically renewed. All Financial Aid recipients must reapply for financial aid each year, as soon after January 1 as possible. All application information received after April 15th will be processed, but awards will be made as funds permit.
LOANS

This type of financial aid and any corresponding amount of accumulated interest must be repaid within a specific time period.

Federal Perkins Loan (National Direct Student Loan)

The Perkins Loan (or NDSL) program allows a student with financial need to borrow up to $9000 during his/her undergraduate study. The maximum loan per semester at Georgia Southwestern is $1125 or the amount of need, whichever is less. The student must be enrolled on at least a half-time basis. No interest is charged while the student is in school. Repayment of the loan at 5 percent interest begins nine months after the student leaves school. The minimum monthly payment is $40 and the entire loan must be paid within a ten-year period.

Cancellation provisions are available to individuals who

- Teach in a public or non-profit school which has been designed as eligible by DOE as enrolling a high concentration of students from low income families;
- Teach handicapped children; or
- Serve as full-time staff members in a head start program;
- Work as a nurse in a public or non-profit organization.

Federal Direct Subsidized Stafford Loan

The Stafford Subsidized Loan is a low-interest, need-based loan authorized by the federal government to help students pay the costs of education beyond high school. Loans to students are made primarily by the U.S. Department of Education. Repayment of any Stafford Loan that is obtained, within the limits of the law, will be "guaranteed" by the Department of Education. The actual amount available to the borrower is based upon financial need (as calculated by the FAFSA) which is not filled by other types of financial aid. The student must repay this loan.

Federal Direct Unsubsidized Stafford Loan

The Unsubsidized Loan has the same terms and situations as the Stafford Loan, except the borrower is responsible for the interest that accrues during deferment periods (not need-based). The program is open to students who may not qualify for the subsidized Federal Stafford Loan. The student may have a combination of subsidized and unsubsidized, but the combined total cannot exceed the program maximum. Check with the Financial Aid Counselor for further details. The student must repay this loan.
**SCHOLARSHIPS**

Scholarships are monetary gifts which usually do not require repayment. They are awarded on the basis of academic performance and other specific criteria stipulated by the agency or person(s) funding the scholarship. The amount of the awards may vary according to the established need of the scholarship recipient. In order to remain eligible to receive most academic scholarships, a student recipient must be enrolled for at least 9 credit hours each term, earn a 3.0 cumulative grade point, and remain in good judicial standing.

**EMPLOYMENT OPPORTUNITIES**

Several types of part-time employment are available through Georgia Southwestern State University.

**Graduate Assistantships**

A limited number of graduate assistantships are available in some departments. Interested students should contact the appropriate school, college or department office. For additional information, see the section on Academic Regulations.

**Part-Time Employment**

The Career Services Office maintains a list of jobs available in the community. Any student interested in part-time work should file an application.

**FINANCIAL AID POLICIES**

Georgia Southwestern State University administers its financial aid program in compliance with all applicable Federal and State laws and regulations. Specifically, the financial aid policies are listed below:

To receive any Federal financial aid, a student must maintain satisfactory academic progress toward a degree as determined by Federal standards. Among other requirements, Federal standards generally define "satisfactory progress toward graduation" as passing 67% of all academic work attempted during an academic year. For students who fail to meet these standards, their financial aid will be terminated. They will not be eligible to receive further aid until such time they have corrected the deficiency at their own expense.
To receive Federal aid, the student must not owe a refund on previous Federal grants or be in default on a Federal student loan.

Any refund from a Federal source will be returned to that fund in the appropriate order.

More information on financial aid may be obtained from the Financial Aid Office, Room 207, Sanford Hall. Office hours are from 8:00 a.m. until 5:30 p.m., Monday through Thursday and 8:00 a.m. until 3:00 p.m. Friday. Summer hours could vary. Please call 229-928-1378 to determine schedule for summer hours.

**Refund Policy**

The bookstore encourages students to attend class before purchasing textbooks. A full refund will be given during the add/drop period of the current term, which is generally the first three days of the semester. The goal of personal counseling is to help students discover satisfactory alternatives to social, academic, and personal concerns, including substance abuse and other health related issues. Counseling sessions take place in a private office and confidentiality is respected. When another person, office, community agency or medical professional can provide better information or assistance, the counselor will make referrals and help the student make an appointment. Counselors are available through the Division of Student Life, the Counseling Services Office, the Financial Aid Office, the Academic Skills Center, the Student Support Services Program, and the Residence Halls. Counseling Services is located in Room 3402-3405, Student Success Center.

**THE ROSALYNN CARTER INSTITUTE FOR CAREGIVING**

The Rosalynn Carter Institute for Caregiving establishes local, state and national, and international partnerships committed to building quality, long-term, home and community-based services. We believe this begins with providing caregivers with effective supports to promote caregiver health, skills and resilience. We also believe strongly in the need to provide greater recognition for professional and family caregivers. We focus on helping caregivers coping with chronic illness and disability across the lifespan.
Goals

RCI overall goal is to support caregivers “both family and professional- through efforts of advocacy, education, research, and service.

Objectives

For Advocacy:

- Reinforce the need for caregivers and the need to give support to those that give care at local, state, national, and international levels.
- Advocate for the uptake of evidence-based research to address the strain and burdens associated with family, volunteer and professional caregiving.

For Education:

- Develop caregiving curriculum for multiple levels of educational need.
- Provide scholarship opportunities for both individuals in the caregiving field and family caregivers interested in obtaining skill knowledge for their caregiving situation.
- Provide training and certification in selected evidence-based caregiver programs.

For Research:

- Provide technical assistance related to translational research targeting evidence-based caregiver programs.
- Contribute to the caregiving field through collaborative partnerships that invest in and support caregiving research.

For Service:

- Provide caregiver support to individuals through education and advocacy through local, state, and national partnerships.

To meet these goals and objectives, the RCI has engaged in the following:

- Training Caregiving Leaders at Georgia Southwestern State University:
The Caregiving Issues and Management Certificate Program is an interdisciplinary program designed to foster understanding of the caregiving field through the exploration of the journey of a caregiver, evidenced-based caregiver support programs, vulnerable populations needing caregivers, and culturally appropriate approaches to caregiving. Estimates have consistently projected that the need for caregiving will escalate significantly in the coming decades. This increase in demand can be attributed to several key trends, including an aging demographic, increased longevity, and the growing burden of chronic illnesses. This certificate program is designed to inform both professionals in caregiving (i.e. business, health care, education, social services, public health, and psychology) and family caregivers about available resources, support programs, and research findings for caregivers of individuals across the lifespan.

This Certificate is the only one of its kind in the state and represents a unique commitment of Georgia Southwestern State University to prepare leaders in the field of Caregiving. Pope Scholarships and Fellowships are available. Please see the RCI website for applications: http://www.rosalynncarter.org/PopeFellowship/

- Serving Caregiving Families in Georgia and Across the United States
  - In partnership with Phoebe-Sumter Medical Center in Americus, GA, the RCI operates a caregiver support center providing information to caregivers and connections to resources. In addition, the RCI was awarded RCI a total of 4 three-year cooperative agreements to implement evidence based caregiving interventions in Georgia (Alzheimers Disease Supportive Services Program (ADSSP) of the Administration on Aging/Administration on Community Living). The interventions included: REACH (Resources for Enhancing Alzheimers Caregiver Health II) at two sites, Care Consultation, and the New York University Caregiver Intervention. RCI also assists with assessment of community needs and resources for caregivers in Georgia and assists others to establish programs to meet those needs.

- The Georgia Coalition of CARE-NETS (Caregivers Network)
  - These volunteer Caregiver Networks serve as a unique coalition of caregiver support organizations who provide services across a broad array of illnesses and disabilities. There are 12 community CARE-NET Coalitions that are strategically located throughout the state in each Area Agency on Aging district. They provide ongoing assessment of community resources, identify and remedy gaps in services, share information and resources among agencies, develop strategies for
complementary professional and family caregiver activities, offer
caregiver education and, most importantly, advocate for Caregivers.

- Today, the CARE-NETs represent a unique resource in the state of
  Georgia and are one of the most promising opportunities for developing
  comprehensive caregiver supports anywhere in the country. Georgia
  Caregiver of the Year Awards are given to three outstanding caregivers
  in Georgia annually.

- National Training Center for Excellence
  - The RCI established a national training center that provides training and
certification in selected evidence-based caregiver programs. This
  training is available to individuals and agencies that serve and support
caregivers.
  - The center currently offers a menu of three evidence-based programs:

  **RCI REACH** “a six month/twelve session intervention delivered to caregivers of
  people with dementia in their home and by telephone by a Bachelors level care coach.
  Caregivers receive education and information on dementia and training in strategies
  and techniques for stress management, problem-solving, and self-care.

  **BRI Care Consultation** “a twelve month telephone/e-mail based intervention
  providing information and support in finding simple and practical solutions to
  caregiving challenges and accessing available resources. This empowerment model of
  service targets caregivers and care receivers dealing with a variety of chronic health
  problems.

  **Operation Family Caregiver** “a four to six month intervention utilizing problem-
solving training to provide education and support to caregivers of service
  members/veterans with traumatic brain injury, post-traumatic stress, and/or physical
  disability.

In addition to training and certification of service providers, RCI offers intensive
technical assistance. There are evidence-based implementation strategies that have
been proven to assist community agencies in achieving positive outcomes similar to
those of the clinical trials. RCI will assess an agency’s readiness for implementation
and work with staff to develop and embed these strategies within an agency culture.

**RCI Caregiving Book Series**

Beginning in 2001, the Rosalynn Carter Institute for Caregiving began convening
expert panels in caregiving to identify best practices in caregiving for specific
conditions and illnesses, caregiving in rural areas, and education and support
programs for caregivers. RCI sought out experts from across the U. S. and brought
them together for an intensive session that included presentations from each panelist as well as active brainstorming amongst the entire panel. The books below are the results of these panels. All books in the series were published by Springer and can be ordered on the website: http://www.rosalynncarter.org/book_series/.

National Research and Demonstration Programs:

With funding from Johnson and Johnson, the Administration on Aging/ACL and others, RCI works to facilitate the communication between research and practice. RCI builds partnerships between leading researchers and community organizations to implement proven programs in communities around the nation and assure that family caregivers have access to the most effective support available. Johnson and Johnson, a corporate sponsor, provides more than $250,000 each year in community grants to build such partnerships around the country. RCI also presents a number of prestigious awards including the Rosalynn Carter Leadership in Caregiving Award and the Mattie Stepanek Caregiving Scholarships offered in cooperation with Johnson and Johnson.

ORIENTATION PROGRAM

Orientation sessions for graduate students are held by the school/college or department offering the degree program. For additional information, students may contact the office of the appropriate school/college or department.

EMERGENCY STUDENT LOCATOR SERVICE

In emergency situations, students may be located by calling the Division of Student Affairs at 229-928-1387 or the Public Safety Office at 229-931-2245. Communication with the students will be made from these offices. These offices will not provide directory information to non-GSW personnel.

HOUSING/RESIDENCE LIFE

Residence Life at Georgia Southwestern State University offers students the opportunity to meet new people and make life-long friends, to feel a sense of independence, yet belong to a community, and to be in close contact with people who have values, attitudes, desires, and academic interests different from their own. They will be challenged to question, to think, and to grow as individuals. Students living on campus are more involved in leadership roles than their off-campus peers, including
Student Government, sororities and fraternities, campus honorary organizations, the Campus Activities Board, the Orientation Team, the Residence Hall Association, and Hosts and Marshals. Living on campus can be a real PLUS if the student wants to become involved in campus life.

There are four residence halls on the GSW campus ranging in size from 230 to approximately 403 students. The halls are staffed with professional and student staff members whose primary objective is to insure a comfortable, congenial, and secure place for students to live and learn.

**HOUSING ELIGIBILITY AND REGULATION**

GSW has the following on-campus living requirement: All full-time undergraduate students under the age of 21, who have earned less than 60 semester hours are required to reside on campus unless they have lived on campus for four (4) full term semesters NOT including summer, they are married, have a dependent child, have a documented medical condition or they are living in the legal residence of a family member. For this purpose family member is defined as parent(s), guardian(s), grandparent(s), son/daughter, uncle/aunt, or brother/sister who is not a student at GSW.

In order to provide on campus housing at the lowest possible rate, the University operates its residence halls on a contract basis for the full Academic Year beginning with the Fall Semester and continuing through the end of Spring Semester. A separate contract is signed for the Summer Term. Since the ANNUAL HOUSING CONTRACT is a binding agreement between the student and the University, applicants are advised to read this document before signing.

Failure to submit the ANNUAL HOUSING CONTRACT will not cancel the obligation to live on campus. Students who wish to commute to campus from their legal residence or live with a family member who is not a GSW student may request an exemption from this policy by submitting the REQUEST FOR HOUSING EXEMPTION form available from the Division of Student Affairs.

**CANCELLATIONS**

1. New and continuing applicants for campus housing who decide not to enroll at Georgia Southwestern must cancel their contract in writing no later than thirty (30) working days prior to the first official day of classes for the affected term. Cancellation after this date will result in forfeiture of the deposit.
2. Students who have signed contracts and will enroll at Georgia Southwestern may petition to cancel their contract by submitting the Request for Release
petition (obtained in the Residence Life Office) to the Department of Residence Life, Georgia Southwestern State University, Americus, Georgia 31709 thirty (30) days prior to the beginning of the affected term. Notification submitted to other University offices will not insure requested action. Upon approval of housing cancellation, a contract buyout will be required.

DEPOSITS AND RENT PAYMENTS

1. The application fee of $50 and the damage deposit of $250 must accompany the housing contract and is nontransferable to another person. The deposit is refunded according to the following conditions: 1) the University is unable to provide campus housing, 2) the terms of the contract are fulfilled, the student has been officially checked out of the room by a residence hall staff member, and the student is cleared of responsibility for damage to the room or building. The deposit will be forfeited, wholly or in part, when the student 1) is responsible for damage to the room or building, 2) fails to follow departmental check out procedures, 3) terminates the contract after the established deadlines or before the terms are completed, or 4) owes the University any debt, fine, or other obligation owed by the student.

2. Housing fees are due and payable in advance at the prescribed rate per academic term. If payment is not made by the stipulated deadline, the student's registration can be canceled.

REFUNDS

Students who officially withdraw from the University qualify for a prorated refund of MEAL fees as determined by the date of the official checkout of the residence hall. Refunds will be prorated by the formula set by the Business Office. Students who vacate their assigned room during the semester without an official withdrawal or official residency release and students who withdraw and fail to officially check out of the room with the Residence Life Staff or students who are evicted for disciplinary reasons will receive no refund of either housing fees or deposit.

The Office of Residence Life is located in the Student Success Center, Room 3435.

FOOD SERVICES

The dining service at GSW provides students with a quality and variety of food choices at an economical cost. An undergraduate student who has earned less than 60 semester credit hours and who lives in a residence hall is required to purchase a meal plan. The three available meal plans, which include unlimited seconds, are 10 meals per week, 15 meals per week and unlimited meals per week. Included with each meal
plan are flex dollars for purchase of items in the Canes Den, Java City, Convenience Store (C-Store) and/or for additional meals in the Dining Hall (RFOC).

After purchasing a meal plan the student's identification card is used to gain entry into the RFOC (located in the Marshall Student Center). The Cane's Den (located in the Student Success Center), Java City (located in the Marshall Student Center) and the C-Store (located in the Marshall Student Center) accepts cash, checks, credit cards, flex dollars and dining dollars. The Canes Den features a Wokery, Grill Works, Grab-N-Go and various snacks.

Commuting students are also invited to use the University Dining Services. Options include purchasing any of the available semester meal plans, block plans or applying dining dollars to the CanesCard (through the Division of Student Life). Purchases can also be made with cash, check, or credit card at any of the locations.

Special diet needs can be provided but must be discussed with the Food Service Director one on one. Students can do this by calling the Food Service Director, Shane Collins, at (229) 924-2732 or stopping by the offices located within the RFOC.

For any questions concerning the dining services offered at GSW please feel free to call Dining Services at (229) 924-2732.

**HEALTH SERVICES**

The Student Health Center at Georgia Southwestern State University is a primary care medical clinic with a specialty in college health providing a broad range of affordable health care to eligible students. Staffed by a physician, nurse practitioners, registered nurses, and support staff, our mission is to assist students with preventive health care and consultations, as well as evaluating, diagnosing and treating health concerns, illnesses and injuries, thereby minimizing their impact on academic progress. The clinic is open Monday through Friday. Refer to website for posting of hours of operation of the Health Center and Women's Clinic. The Clinic is located in the Rosalynn Carter HHS 1. The Health Center services are available by appointment or on a walk-in basis during operating hours while classes are in session. Hours are subject to change to reflect the needs of the University. The Student Health Center is closed on university holidays and weekends. On weekends, students should notify the Residence Life staff member on duty or Public Safety for medical emergencies. The Health Center can handle minor emergencies, but we cannot deal with life- or-limb threatening emergencies. For medical emergencies, please dial 911 for emergency medical services and then call the Campus Police for assistance, at 229-931-2245. If a
student becomes ill, the Health Center will notify family members and faculty if the
student so requests.

The Health Center staff provides assistance to students with minor illnesses or injuries
and promotes positive physical and mental health by providing health awareness
information to students. A women's comprehensive health program staffed by nurse
practitioners and registered nurses is available, by appointment, every Wednesday of
each month while classes are in session.

A student who utilizes Health Center medical services is expected to visit the Health
Center at times that do not conflict with academic responsibilities. After a student has
been assessed in the Health Center, we will provide a written recommendation to
excuse from class only if we feel there is justification. By Georgia Southwestern State
University policy, an excuse from class can only be granted by the professor of that
class.

The Health Center provides care for all currently registered students and currently
employed faculty and staff (who must pay the co-pay health fee whenever using the
health center). A mandatory health fee is assessed to students currently enrolled in
five or more credits on GSW's campus. A student registered for less than three credit
hours has the option to pay the semester health fee or a co-pay for each visit. The
semester health fee entitles the student to consultation services with the professional
Health Center staff. There are free over the counter medications available as well as
first aid supplies. Students are accessed fees for prescription medications dispensed at
the center, equipment, lab tests and special procedures.

All students are urged to have adequate health coverage for illnesses or emergency
visits to the local hospital or a physician's office when the Health Center is closed.
Insurance coverage is also recommended for medical care that is not available at the
Health Center, including treatment of major injuries, surgery, and hospitalization. The
university has a student health insurance plan available to all Georgia Southwestern
State University students. Applications for enrollment are available in the Health
Center.

Laboratory and x-ray services, inpatient hospital services, hospital emergency room
treatment, ambulance transportation to a hospital, and professional services of a non-
university medical specialist are not included in the semester health service fee. The
Health Center staff, however, will assist the student in making arrangements with
medical specialists.

The university physician is available for student visits at the Health Center at
designated hours. As a part of a visit to the Health Center, the physician/nurse
practitioner can dispense prescription medication at discounted prices—antibiotics, allergy and cold medicines, ear and eye drops, dermatological creams, and more (the clinic does not perform pharmaceutical services for prescriptions written off campus). Medications not stocked by the Health Center are the financial responsibility of the student for whom they are prescribed. The Health Center does not see patients who are pregnant. The Health Center will assist the patient with a referral to an Obstetrician /Gynecologist.

A student accepted for admission will receive a health history and immunization form which is to be completed and returned to the Health Center once accepted for admission to the University. All new students (freshmen, transfers, and others) attending regularly scheduled classes or receiving resident credit will be required to submit a certificate of immunization prior to attending such classes. Students will be given 30 days from the start date of classes for a required immunization record to be on file with the Health Center. After this, a hold will be placed on the student's account preventing registration and obtaining grades or transcripts.

Measles (Rubeola) is required for students born in 1957 or later. Two doses of live measles vaccine (combined measles-mumps rubella or MMR meets this requirement), with first dose at 12 months of age or later and second dose at least 28 days after the first dose, or documented laboratory/serologic evidence of immunity.

Mumps is required for students born in 1957 or later. Two doses at 12 months of age or later (MMR meets this requirement), or documented laboratory/serologic evidence of immunity.

Rubella (German Measles) is required for students born in 1957 or later. (Because rubella can occur in some persons born before 1957 and because congenital rubella syndrome can occur in the offspring of women infected with rubella during pregnancy, women born prior to 1957 who may become pregnant are strongly encouraged to ensure that they are immune to rubella). One dose at 12 months of age or later (MMR meets this requirement), or documented laboratory/serologic evidence of immunity.

Varicella is required for all U.S born students born in 1966 or later and all foreign born students regardless of year born. One dose given at 12 months of age or later but before the students 13th birthday, or if first dose given after the students 13th birthday: Two doses at least 4 weeks apart, or reliable history of Varicella disease (chicken pox), or documented laboratory/serologic evidence of immunity.

Tetanus, Diphtheria is required for all students. Students must have one tetanus/diphtheria containing booster dose within 10 years prior to matriculation.
Combined tetanus, diphtheria, and acellular pertussis (whooping cough) booster (Tdap) is preferred but Td is acceptable (Students who are unable to document a primary series of 3 doses of tetanus/diphtheria-containing vaccine [DTaP, DTP, or Td] are strongly advised to complete a 3-dose primary series).

Hepatitis B is required for all students who will be 18 years of age or less at matriculation. Three doses hepatitis B series (0, 1-2, and 4-6 months), or 3 dose combined hepatitis A and hepatitis B series (0, 1-2, and 6-12 months), or 2 dose hepatitis B series of Recombivax (0 and 4-6 months, given at 11-15 years of age), or documented laboratory / serologic evidence of immunity or prior infection.

Meningococcal Quadrivalent Polysaccharide vaccine is required for newly admitted freshmen or matriculated students planning to reside in university managed campus housing. One dose within 5 years prior to matriculation, or signed documentation that student (or parent or guardian if student <18 years old) has received and reviewed information about the disease as required by House Bill 521.

International students must meet the above requirements and the following: A PPD tuberculin skin test is required within 10 days of arrival to campus. If positive, the students must have a chest X-ray within 2 weeks of arrival to campus. No X-ray films will be accepted. A tuberculosis-screening questionnaire must be completed upon arrival to campus. All reports and documentation must be in English. All immunization forms and reports must have the signature of a health care provider, with address and contact phone number in English.

It is recommended that each student discuss with his/her health care provider the need for additional immunizations such as Pertussis, Hepatitis A, and Influenza.

**MANDATORY STUDENT HEALTH INSURANCE**

The Board of Regents of the University System of Georgia has contracted with United Healthcare to provide student health insurance. All Institutions of the University System of Georgia are required to use United Healthcare for student health insurance. Students in the following categories are required to have insurance that meets the minimum standards: graduate students receiving a full tuition waiver as part of their graduate assistantship award; undergraduate, graduate, and ESL international students holding F or J visas; undergraduate and graduate students enrolled in programs that require proof of health insurance (e.g. nursing and athletics), and International Scholars and all accompanying dependents. Students and scholars who are not covered by a policy held by a parent, spouse, company or organization on the approved waiver list or do not have a policy that meets the minimum standards must purchase the USG Student Health Insurance Plan (SHIP) policy.
Students who are required to have health insurance will be enrolled each semester in the Mandatory Plan, which is an accident and sickness insurance policy that includes diagnosis and/or treatment of illness, injury, or medical conditions. Benefits include physician, hospital, surgical, pharmacy, behavioral health services (i.e., mental health /substance abuse), as well as legally mandated benefits. Premiums for individual students in the Mandatory Plan are available upon request from the Student Accounts Office. Students in the mandatory group will have fees assessed by GSW and placed on their student account for payment.

Mandatory Health Insurance Waiver: Students who are covered by a policy held by a parent, spouse, company or organization may apply for a waiver of the Mandatory Plan by going to the United HealthCare site https://www.uhcsr.com/ . The student must enter his/her name and date of birth to process a waiver. United Healthcare will evaluate the current insurance and will approve or deny the waiver.

**OPTIONAL STUDENT HEALTH INSURANCE**

All GSW students who are not required to have health insurance may purchase the Optional Plan if they are (a) enrolled in six (6) or more semester hours or (b) participating in off-campus internship or practicum programs. The Optional Plan is an accident and sickness insurance policy that includes diagnosis and/or treatment of illness, injury, or medical conditions. Benefits include physician, hospital, surgical, pharmacy, behavioral health services (mental health / substance abuse), as well as legally mandated benefits. Students may also purchase health insurance coverage for their spouse and children for an additional premium. Various payment options are also available for the Optional Plan, including annual and semester payments.

For more information about the United Healthcare plan, students are encouraged to visit the web site at [http://gsw.edu/Campus-Life/CampusLiving/StudentAccount/StudentHealthInsurance](http://gsw.edu/Campus-Life/CampusLiving/StudentAccount/StudentHealthInsurance) or call 1-866-403-8267. Enrollment information is available at the Health Center, the Student Accounts Office, and auxiliary services.

For more information about the Health Center call (229) 931-2235 or fax (229) 931-2666.
STUDENT RIGHTS AND RESPONSIBILITIES

In order to help create an environment conducive to the furthering of educational pursuits and personal development, the University has established minimum behavioral expectations of students. These expectations, as well as student rights, are published in the Rights and Responsibilities section of the GSWeathervane. Also included in this publication is the University policy statement relative to implementation of the Family Educational Rights and Privacy Act of 1974 (FERPA).

Each student is responsible for reading and observing the policies stated in the student handbook. The GSWeathervane is revised annually and is made available to students via the GSW website at http://gsw.edu/Campus-Life/ResourcesInformation/StudentHandbook/index.

Alcohol, Tobacco, and Drugs Information for University Students

The University System of Georgia accepts a responsibility to educate its students on the dangers of alcohol, tobacco, and other drugs and to adopt policies and procedures designed to minimize the incidents involving the high-risk use of alcohol, tobacco, or other drugs. At Georgia Southwestern State University, alcohol, tobacco, and other drug education programs are coordinated through the Division of Student Affairs by the Asst. Dean of Students in conjunction with the Task Force on Alcohol, Tobacco, and Other Drugs (ATOD), and the BACCHUS (Boosting Alcohol Consciousness Concerning the Health of University Students) Peer Educators.

These groups sponsor alcohol, tobacco, and drug awareness programs during the academic year. The dangers of high-risk use and the resources available for assistance (counseling, treatment and rehabilitation) are included in the programs. These programs are intended to educate about the reality of alcohol, tobacco, and drug use and its effects on the physical, mental, emotional and spiritual well-being of the individual. The programs are open to all Georgia Southwestern State University students, faculty and staff. The date, time, location and specific topic of each program are advertised in The Sou'wester, GSW news on-line, and on information boards around campus. Informative pamphlets are made available free of charge on a regular basis to the entire university community in the Peer Educators Office located in the Student Success Center and in the Health Center.
The Georgia Southwestern State University policies on alcoholic beverages and substances abuse are stated in Student Code of Conduct in the GSWeathervane.

**Student Action Plan**

Any student violating any policy of the Student Code of Conduct that relates to alcohol, tobacco, or drugs or for which the presiding student conduct officer or student conduct board feels that the use alcohol, tobacco or drugs contributed to or was related to that students violation will be assigned sanctions as outlined in the Student Assistance Program. The program also will be available for any individual seeking help for alcohol, tobacco, or other drug issues.

The plan of action for the SAP will be as follows:

First offense: The student will be required to sign up for and successfully complete the GSW Social Responsibility Education Program at the next available offering. The student will be required to pay a $100 fee for the program. In addition, the student may be required to attend workshops presented by Counseling Services, complete online training sessions, complete community service projects under the direction of the volunteer services coordinator, write a response paper following the program, and complete a student conduct evaluation form.

Second offense: The student will be required to repeat all sanctions described as part of the first offense, with some additional requirements. The additional requirements may include an appointment with Counseling Services and an extended curriculum version of the Social Responsibility Education Program. The extended curriculum includes a research paper and a program presentation. The student will be required to pay a $200 fee for the program. A clinical assessment may be necessary to determine if addiction counseling or other treatments should be recommended. If the student is under the age of 21, the Student Conduct Officer may choose to notify the students parents of this second violation of the Student Code of Conduct.

Third offense: The student will be suspended from school for a minimum of one semester. In addition, he or she will be referred to Alcohol/Drug addiction counseling such as Middle Flint Behavioral Health Care Services, for proper evaluation and must complete his or her addiction education program. Only after providing verification of completion of the educational program, may the student return to school.

POLICY STATEMENT ON SEXUAL HARASSMENT

(The following is in compliance with Federal law and Board of Regents Policy) It has always been our policy to maintain the best possible environment for all faculty, staff, and students. All employees and students have the right to be free from sexual and all other forms of unlawful harassment of any kind in the workplace, including
harassment because of race, color, religion, gender, national origin, age, disability, sex, or any other characteristic protected by applicable federal, state or local law. GSW will not tolerate such harassment.

What is Sexual Harassment?

Sexual harassment is an unwelcome advance, request for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic standing, or
- Submission to or rejection of such conduct by an individual is used as a basis for employment or academic decisions affecting that individual or,
- Such conduct has the purpose or effect of substantially interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive academic or work environment.

Sexual Harassment can take many forms including:

- Remarks of a sexual nature concerning a person's body or clothing.
- Sexually explicit slurs or words which are used to describe a person.
- Unnecessary and unwelcome touching, patting, pinching or fondling.
- Unwelcome propositions or requests for social dates or sexual activity.
- The circulation or displaying of sexually oriented cartoons, pictures, or other potentially offensive materials while on campus.
- Remarks exchanged by two consenting adults that may be offensive to other individuals.

What should you do if you think you’re being subjected to Sexual Harassment at Georgia Southwestern State University?

First, make it clear to the harasser that his or her behavior is unwelcome, and firmly request that it be stopped. If you then feel you are a victim of sexual harassment, you should bring your concerns to the University's Human Resources Department. The earlier the incident is reported, the sooner University officials can investigate concerns. Any complaint under this policy will be handled confidentially and fairly. No reprisal or retaliation will occur because of the report of an incident of sexual harassment. A formal grievance can also be filed when reporting an incident of sexual harassment.
STUDENT MEDICAL/MENTAL HEALTH WITHDRAWALS

For the provision of an academic learning environment and the protection of students and the total University community, the University has adopted a policy for the administrative medical/mental health withdrawals of students by the Vice President for Student Affairs. In making this decision, the Vice President for Student Affairs may consult with the Director of Counseling Services, the University physician, the Director of the University's Health Services, the Director of the University's Public Safety Office, Director of Human Resources, other appropriate university officials [such as Residence Life staff, Dean/Asst. Dean of Students, faculty, etc.], as well as with the student's parents/legal guardians [if under age 18-FERPA based], and the student's physician and appropriate health professionals [in the form of medical records documentation].

The Vice President for Student Affairs may administratively withdraw the student when it is determined that the student suffers from a physical, mental, emotional or psychological health condition which: (1) poses a significant danger or threat of physical harm to the student or to the person or property of others or (2) causes the student to interfere with the rights of other members of the University community or with the exercise of any proper activities or functions of the University or its personnel or (3) causes the student to be unable to meet institutional requirements for admission and continued enrollment, as defined in the Student Conduct Code and other publications of the University.

Except in emergency situations, a student shall, upon request, be accorded an appropriate hearing prior to the final decision concerning his or her continued enrollment at the University. The request for this hearing should be made, in writing, to the Vice President for Student Affairs. The Vice President for Student Affairs/Chairperson of GSWs Student Health and Behavioral Issues Response Team (SHBIRT) will arrange a hearing with the SHBIRT within 5 class days of receiving the request for a hearing. The student will be notified of the decision within five class days following the hearing. If the student wishes to appeal the decision received, he/she must submit the appeal, in writing, to the Presidents Office within five [5] days of receiving the notification. The President may reject or accept the appeal. If the appeal is accepted, the President may independently handle the review or appoint a committee to conduct the review. If the President independently handles the review, the review should be completed within five class days following receipt of the student's written appeal, and a final decision must be rendered in writing within five class days after the conclusion of the review. If the President appoints a committee to conduct the review, it shall occur within ten [10] class days upon receipt of the appeal.
The committee should be composed of three members of the faculty of the institution, or the President may utilize the services of an appropriate existing committee. This committee shall review all facts and circumstances connected with the case and shall within five class days make its findings and report thereon to the President. After consideration of the committee's report, the President shall, within five days of receiving the committees recommendation, make a decision, and notify the student, in writing. The only exceptions to the noted time frames are when the President is travelling and/or away from campus at the time the appeal arrives in the Presidents office. This decision from the appeal to the Presidents office shall be final so far as the institution is concerned.

**STUDENT LIFE**

The Division of Student Affairs exists to plan, coordinate, and implement co-curricular programs and services which support students while they learn. The goal of the Division of Student Affairs is to identify non-academic needs of GSW students and to put its staff and resources to work in order to meet those needs. The staff of Student Affairs is particularly interested in fostering the development of the student as a whole person. Providing opportunities for students to interact effectively with each other and with faculty, to expand their leadership and communication skills, and to achieve their goals are the underlying objectives of the programs and services of the Division of Student Affairs.

Under the leadership of the Vice President for Student Affairs, the Division of Student Affairs includes counseling, career planning and placement, financial aid, judiciaries, Greek life, orientation, residence life, student activities, intramural sports and recreation, and the student center. For complete information concerning these programs and services, see the GSWweathervane, which is made available to all students by the Division of Student Affairs.

**STUDENT IDENTIFICATION CARDS (CanesCard)**

GSW provides every student with a CanesCard. The CanesCard is the official identification card for Georgia Southwestern State University. Students can use their CanesCard to receive financial aid refunds, access the Dining Hall, Java City, C-Store, and Canes Den. The CanesCard can also be used to make on-campus and off-campus purchases or access ATMs for cash. The CanesCard functions as a pre-paid debit card; students can only make purchases if they have money applied to their CanesCard.
Every student will need to have a CanesCard to access GSW facilities such as the fitness center, game room, library, bookstore, academic computer labs, and the residence halls.

For new students, CanesCards will be made on STORM Days and registration days in the Student Account Office located in the Marshall Student Center. The CanesCard office will be open Monday-Thursday from 9 am “ 5 pm and Friday from 9 am “ 2 pm. Students can contact the CanesCard office at (229) 931-5091 or Student Accounts at (229) 931-2013 with questions or concerns.

If a CanesCard is lost, stolen, or destroyed, cards can be replaced for a $10.00 fee for the first card, and then $20 for any cards made after this point. Payment can be made in the Student Accounts Office.

ACADEMIC REGULATIONS

ACADEMIC STANDARDS

Students pursuing a Master's degree must adhere to the following standards:

- A cumulative GPA of 3.0 or better
- Only two courses with grades of C can be applied to the degree
- No course with a grade below a C will be applied toward a degree

In any graduate degree program, all requirements, including course work at Georgia Southwestern State University, transfer credit and transient credit course work, must be completed within seven (7) calendar years from the date of initial enrollment in course work, without regard to the initial admission status and without regard to credit hours earned.

Graduate students pursuing the Specialist degree must adhere to the following academic standards:

- Maintain an overall graduate GPA of 3.25 must be maintained
- No course with a grade below a B will be applied toward the degree
- Only one course with a grade of C may be repeated one time
- Degree requirements must be completed within seven (7) calendar years from the time of first enrollment.
Please review other requirements for the School of Education. Specialist degree students under review or dismissed will follow the same procedures as for the Master's degree.

Each School/College of Department with a Graduate Program may have other academic requirements; please check the School web site or the appropriate section of the current Bulletin.

**STUDENTS UNDER REVIEW**

Graduate students who fail to maintain academic standards will be placed under academic review at the end of the semester in which their status falls below the required standards.

Students who have been placed under review will have early registration cancelled for the following semester. These students will not be able to register on-line and must report to their graduate advisor.

The Registrar will send the names of students under review to the Dean of each School/College, the Department Chairs with graduate programs or courses, and the graduate advisors.

A student under review must meet with his or her graduate advisor to develop an Individual Remediation Plan (IRP) to demonstrate how the student can be returned to good standing. The plan will be forwarded to the Dean of the School/College or Department Chair to sign before being placed in the student's file. A copy of the form will also be sent to the Registrar's Office.

At the end of the probationary semester, if the student is not successful in returning to good standing, the Dean of the School/College or Department Chair will send a certified letter of dismissal to the student with a copy to the student's graduate advisor and the Registrar's Office.

Graduate students who are dismissed from the graduate program may write a letter of appeal within ten (10) class days from the receipt of the dismissal letter to the Vice President for Academic Affairs. Students re-admitted on appeal will have one additional semester to return to good academic standing.

Re-admitted students who do not return to good standing after the initial probationary semester will be dismissed from the program and the University.
Dismissed graduate students may re-apply for admission to the program after three calendar years. If the student is re-admitted, he or she must meet all requirements for the degree program at the time of re-enrollment. The years completed prior to dismissal will count towards the total seven (7) years to complete the degree. Re-admission is not automatic. Each application will be considered individually.

**RESIDENCE REQUIREMENTS**

All graduate programs offered at Georgia Southwestern State University require 50% of the course work be completed in residence.

**GRADUATE ASSISTANTSHIPS**

Graduate assistantships are available in the Department of Athletics, the Division of Student Affairs, and the School of Business Administration. Interested students should make direct application to those offices.

**ADVISEMENT**

Upon admission to the Program of Graduate Studies, each student is assigned a graduate advisor. Advisors in the Master of Education and the Education Specialist programs are assigned by the Dean of the School of Education.

Academic Advisors in the Master of Business Administration programs are assigned by the Dean of the School of Business.

Advisors to students in the Master of Science in Computer Science program are assigned by the Dean of the School of Computer and Information Sciences.

Advisors to students in the Master of Science in Nursing program are assigned by the Dean of the School of Nursing.

Advisors to students in the Master of Arts in English program are assigned by the Chair of the Department of English and Modern Languages.

Students in degree programs should enroll for courses only with the advice and approval of their graduate advisors.
Application for Graduation - Graduate Students

The Application for Graduation for graduate students must be completed one full semester prior to the academic term in which the degree is expected. The application form is available in the Registrars Office as well as under œStudent Formsœ on RAIN and the GSW Homepage. Students should contact their graduate advisors to initiate the application process.

Transfer Credit

In any graduate program a maximum of 9 semester hours of graduate credit may be transferred from another accredited institution under the following conditions:

- No grade less than a B (3.0) may be transferred.
- Work must have been completed within the seven-year period allowed for the completion of degree requirements.
- Work accepted in transfer to the Master of Business Administration must have the approval of the Dean of the School of Business.
- Work accepted in transfer to the Master of Science in Computer Science must have the approval of the Dean of the School of Computer and Information Sciences.
- Work accepted in transfer to the Master of Science in Nursing must have the approval of the Dean of the School of Nursing.
- Work accepted in transfer to the Master of Arts in English must have the approval of the Chair of the Department of English and Modern Languages.
- The School of Education does not accept transfer credit.
- Grades in transfer credits will not be used in calculating the grade point average and do not reduce residence requirements.
- Experiential or Prior Learning Credit
- GSW grants no graduate level credit for experiential or prior learning except under the supervision of the institution.
Transient Credit

With approval, a student may take courses as a transient student at another accredited institution and receive credit towards the degree for these courses. Approval is not guaranteed. The "Transient Permission" form found at [http://gsw.edu/Academics/Academic-Resources/Student-Forms](http://gsw.edu/Academics/Academic-Resources/Student-Forms) must be completed with the appropriate signatures and turned in to the GSW Registrar's Office prior to course enrollment for credit to be awarded. Grades earned in courses taken at another institution will not be counted in the student's grade point average at GSW.

Readmission of Former Students

Former students in academic good standing who have not been in attendance for one calendar year or more must reapply through the School, College or Department offering their graduate degree program. Students who have attended another college since last attending Georgia Southwestern must submit an official transcript from that institution.

Students readmitted or reinstated will be evaluated for graduation from the catalog in effect at the time of readmission or reinstatement or any catalog in effect during subsequent periods of continuous enrollment.

ACADEMIC LOAD LIMITATIONS

Graduate students taking nine or more semester credit hours will be considered full-time. Graduate students may take a maximum of fifteen hours per term. Students taking less than nine semester credit hours will be considered part-time.

GRADING SYSTEM

Grade Point Average for Graduate Students

The grade point average (GPA) for graduate students includes all attempts on all graduate courses. It is a true cumulative GPA.

Policy on Repeating Graduate Courses

Normally, a course is counted only one time for credit hours toward a degree. If a graduate student wants to repeat a course that falls into this category, the student may do so with the understanding that credit hours attempted and quality points earned in all attempts of the course will be counted in the student's grade point average (GPA).

A grade of I may be given in extenuating circumstances. If a grade of I is not removed before the end of the following term, it automatically becomes an F.

Students enrolled for thesis or directed study credit will receive an S for satisfactory performance or a U for unsatisfactory performance.

Students who for non-academic reasons stop attending class prior to midterm should withdraw from the course. A grade of "I" cannot be assigned in this situation.

**RE-EXAMINATION FOR GRADUATE STUDENTS**

Graduate students will not be allowed a retest on any final examination. The GSW undergraduate policy for re-examinations for seniors does not apply to students enrolled in graduate programs.

**ATTENDANCE**

Students are expected to attend all classes. If an absence is necessary, the student is responsible for reporting the reason to the instructor; in such cases, each instructor will take whatever action he or she deems necessary. Faculty members will make their absence policies clear to the students enrolled in their classes in writing and within the first week of the semester. Failure to attend classes during the first week of the semester will result in administrative withdrawal from the course.

Penalties for excessive absences in each course are set at the beginning of each semester by the faculty member teaching that course. Students with excessive
absences in a class may receive a grade of F for the course and may imperil their financial aid.

**STUDENT ABSENCE POLICY FOR UNIVERSITY SANCTIONED EVENTS**

Faculty members will set policies for absences from class and the effect absences may have on final grades. They will make their expectations concerning absences known to their students in writing during the first week of class.

However, a student who is absent from a class as a result of representing this institution at a University-sanctioned event will not be penalized for the absence, provided the student is otherwise in compliance with the requirements of the course. In these cases, the student will be given an opportunity to complete any work that may have been missed as a result of the absence. It is the student's responsibility to notify the instructor in advance of an anticipated absence.

For an event to be sanctioned by the University, approval by the Office of Academic Affairs must be obtained in advance of the event.

Any exceptions to this policy must be approved by the Vice President of Academic Affairs.

**STUDENT ABSENCE POLICY FOR ORDERED MILITARY DUTY**

For the purpose of this policy, ordered military duty shall mean any military duty performed in the service of the State or the United States, including, but not limited to, service schools conducted by the armed forces of the United States.

Students who must miss class for ordered military duty will not be penalized and will be given an opportunity to complete any work missed as a result of the absence. The student should provide documentation of the ordered military duty in advance of the absence and make arrangements with the instructor to make up missed work. For service or training requiring excessive absences or the inability to complete a semester's work, the student may be eligible for Military Withdrawal from the course.
SCHEDULE ADJUSTMENTS

Change in Program

Before a graduate student may transfer from one Teacher Education degree program to another, a request for transfer must be approved by the Dean of the School of Education and the Chair of the new program. Students wishing to transfer to or from the Master of Business Administration, the Master of Science in Computer Science, the Master of Science in Nursing, or the Master of Arts in English Programs must have their request approved by the appropriate dean.

Adding or Dropping Courses

Following registration for the term, students may add or drop courses during the published add/drop period.

Students must discuss adding or dropping courses with their advisors.

Students who enter courses after the first day of class are responsible for making up missed assignments.

After the published add/drop period, students may adjust their schedules only by "withdrawal." (See below.)

Students registered for courses that have the first class meeting after the designated add/drop period will be subject to the withdrawal from class policy or the withdrawal from the university policy below. Any orientation session for online or off-campus courses is considered the first class meeting for the course.

Withdrawal from a Course

After the add/drop period, a student must officially withdraw from a course by completing the "Withdrawal from Class" form available under Student Forms on RAIN or the GSW Homepage and the Registrar's Office. This form must be returned to the Registrar's Office upon completion. The student is fully responsible for collecting the appropriate signatures and submitting the completed form to the Registrar's Office. The effective date of the withdrawal from class is entered as the received date by the Registrar's Office.

Withdrawal from class without penalty requires the student to complete the Withdrawal from Class form and return it to the Registrar's Office by the published
no-penalty date of one week after midterm. A student following this procedure will receive a grade of W (Withdrawn).

Withdrawal from class without penalty will not be permitted after the published 'no penalty' date except for non-academic reasons. Documentation must be provided by the student to receive a W rather than a WF (Withdrawn Failing).

All withdrawals from class must be approved and completely processed before the last day of classes. A student who does not officially withdraw from a class will receive a grade of F in that course for the term.

**Withdrawal from the University**

Students withdrawing from all classes and exiting the University after the first day of classes must complete the "Withdrawal from the University" form available under Student Forms on RAIN and the GSW Homepage and in the Registrars Office. The completed form should be submitted to the Director of the Academic Skills Center/First Year Advocate or faxed to 229-931-2277. The Director of the Academic Skills Center/First Year Advocate is located in the Center for Academic Excellence, room 126. The effective date of the withdrawal from the University is entered as the date from the Student Withdrawal from the University form.

Withdrawal from the University prior to the no-penalty date of one week after midterm will result in grades of W (withdrawn) for all courses.

Withdrawal from the University after the no-penalty date will result in grades of WF (withdrawn failing) except for documented non-academic reasons.

All withdrawals from the University must be approved and completely processed before the last day of classes. The student is fully responsible for supplying all pertinent documentation to the Director of the Academic Skills Center/First Year Advocate.
ADMINISTRATIVE WITHDRAWAL FROM A COURSE DURING THE FIRST WEEK OF CLASSES

Students registered for any term who attend none of the classes during the first week of classes and who do not inform the instructor of their intentions to remain in the course or do not drop the course within the published period, will be administratively withdrawn from the course. It is the responsibility of the faculty member to document such absences.

Students who do not login/participate in the online class by the instructor's deadline will be withdrawn from the course and receive a grade of W for withdrawal. No refunds will be issued for nonparticipation withdrawals unless it results in a complete withdrawal from the University.

Students will be contacted through campus email and informed of their withdrawal from the class. Errors are only corrected by emails from the instructor of the class. Students receiving financial aid should be aware that this could negative impact the amount of aid they receive for the term.

POLICY ON ACADEMIC INTEGRITY

Introduction

Academic Integrity is a commitment, even in the face of adversity, to five fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behavior that enable academic communities to translate ideals into action. International Center for Academic Integrity.

GSW's Policy on Academic Integrity sets forth principles of behavior intended to enable its community members to act according to these fundamental values, thereby fostering a community of excellence in teaching and learning. This policy defines academic integrity, assigns responsibility of community members for upholding these principles, defines academic dishonesty, and delineates the procedure for handling violations of the community standard.

Principles of Academic Integrity

Accurate Attribution of Ideas: While the free exchange of ideas does not demand that every idea a person expresses be her or his own original thought, it does demand that a person accurately represent the origin of the thoughts she or he expresses. The forms of attribution vary depending upon the formality of the setting in which ideas are exchanged. In conversation, attribution might be as simple referring to where you
heard an idea while in a class presentation or a written assignment, a specific style of attribution or documentation will be required. The specific format for such is usually defined by the academic discipline.

Collaboration on Assignments: Collaboration is a fundamental component of community building and a valued ability in the work force, as well as one of the most important practices of a democratic society, but it depends on community members exercising the values of fairness, respect, and responsibility. Respectfully listening to the perspectives of others, and shouldering the responsibility for contributing equitably to the success of the group demonstrate academic integrity. In the academic setting, collaboration has been shown to improve students learning, but it must be balanced with the need to assess a students individual mastery of a topic. Thus, faculty may actively discourage collaboration for some types of assignments, such as homework or papers, while encouraging it in others circumstances, like group projects or presentations.

Collection of Data: The academic community is a culture of evidence in which decisions are made and opinions evaluated largely on the basis of the factual or logical support. Therefore, whenever a community member presents data he or she has collected firsthand through observing, interviewing, surveying, or experimenting, he or she must be careful to describe clearly how the data were collected to verify that the results are presented accurately and to maintain all confidentiality agreements with participants.

Quizzes, Tests, and Examinations: The academic community often calls upon its members to demonstrate what they know, or what they can do individually, often under the pressure of time constraints, which can put a students honesty, trust, fairness, respect, and responsibility to the test. Academic integrity requires that a student abide by the rules established by the faculty member for assessing individual learning.
Responsibility of Community Partners for Upholding the Values of Academic Integrity

Responsibility of the Faculty Member:

Students do not always come to the GSW community knowing the principles of academic integrity and therefore teaching students to exercise these principles is the duty of the faculty. Given that the parameters of academic integrity are defined by the goal of an assignment or activity, the type of assessment being used, and the standards of the particular discipline, faculty members should be explicit about their expectations of students. To that end, faculty members should state in their syllabi the expectations for 1) attribution of ideas, 2) collaboration on assignments, 3) collection of data, and 4) quizzes, tests and examinations.

Responsibility of the Student:

As partners in their own learning, students are responsible for making themselves aware of how the principles of academic integrity apply in each academic setting they enter. While the faculty member is responsible for setting expectations, it is the students responsibility to seek guidance from the faculty member, especially when unsure of how to apply the principles in a particular situation. When in doubt, seek guidance from the instructor.

Academic Dishonesty:

Violations of academic integrity will be subject to sanction by the academic community. The examples given below are intended to clarify the standards by which academic dishonesty may be judged.

Plagiarism:

Violations of academic integrity will be subject to sanction by the academic community. The examples given below are intended to clarify the standards by which academic dishonesty may be judged.

Cheating on Examinations:

Cheating on an exam includes, but is not limited to, giving or receiving unauthorized help before, during, or after an in-class or out-of-class exam. Examples of unauthorized help include using unauthorized notes in either hard copy or electronic form, viewing another student's exam, taking pictures of exams with cell phones or other electronic devices, allowing another student to view one's exam, and discussing
an exam or sharing information on an exams content with other students after the exam has occurred in one section but not in another.

**Unauthorized Collaboration:**

Unauthorized collaboration includes giving or receiving unauthorized help for work that is required to be the effort of a single student, such as the receiving or giving of unauthorized assistance in the preparation of a laboratory or writing assignment, online exams, etc.

**Falsification:**

Falsification includes, but is not limited to the fabrication of citations or sources, of experimental or survey results, and of computer or other data.

**Multiple Submissions:**

A student may not submit substantial portions of the same work for credit more than once without the explicit consent of the faculty to whom the work is submitted for additional credit. If a work product is to be substantially revised or updated, the student must contact the faculty member in advance to discuss necessary revisions. In cases where multiple submissions are approved, faculty members will require copies of the original documents for comparison.

**Process for Resolving Academic Dishonesty Issues:**

Instances of academic dishonesty are a serious violation of community standards for academic integrity and may result in suspension or expulsion from GSW. While faculty members have the primary responsibility for establishing the parameters of academic integrity in the academic situations they supervise, it is the responsibility of all members of the GSW academic community to report suspected instances of academic dishonesty. Therefore, any member of the GSW academic community can lodge an academic dishonesty complaint with GSWs Student Conduct Officer.

Any member of the academic community who has evidence of academic dishonesty should report his or her suspicion and evidence to the faculty member of the student(s) believed to be in violation of the policy. The faculty member is then responsible for responding, and if she or he has adequate evidence, may file an Academic Dishonesty Violation Report with the Student Conduct Officer.
Faculty Reporting:

If an instructor discovers a case of academic dishonesty, he or she may impose whatever penalty is deemed appropriate by the faculty member, given the standards and expectations shared with students in that course (including but not limited to rewriting assignments, failure on the assignment, or failure in the course). The faculty member has the final word for how the incident will be handled in his or her own classroom.

All incidents of academic dishonesty will be reported to the Student Conduct Officer using the Academic Integrity Violation Report Form which asks for a description of the incident, a copy of the faculty members written policy on academic dishonesty, the penalty imposed by the faculty member, and the students signature indicating the faculty member met with the student about the incident and explained the consequences.

The Student Conduct Officer will keep on file all Academic Integrity Violation Report forms. When a new report is received, the Student Conduct Officer will review the record to determine if the student has any other academic integrity violations on file. A first offense will be filed, but no action will be taken by the University unless the student chooses to dispute the charge, at which time the Student Conduct Officer will call for a hearing of the Faculty-Student Conduct Board. If the student has two or more violations on file, the Student Conduct Officer will automatically call for a hearing of the Faculty-Student Conduct Board, and the faculty member may be asked to submit further documentation of the violation.

The Faculty-Student Conduct Board will hold a hearing to determine if the student should be found in violation of the academic integrity policy and recommend a course of action to the Vice President for Academic Affairs. Only in cases where a student is exonerated of accusations of academic dishonesty can a grade be appealed through the grade appeal process. If the Faculty-Student Conduct Board determines the student to be in violation of the academic integrity policy, the Student Conduct Officer will then share with the Board any additional information concerning the number and types of prior violations, which the Board may consider when making sanction recommendations. The Faculty-Student Conduct Board will provide in writing its decision on the case and sanction recommendations to the Vice President for Academic Affairs. Sanctions may range from educational, such as assignments which require the student to research the topic of academic integrity or speaking to the UNIV 1000 classes about academic integrity, to more serious including probation, suspension, or expulsion.
The Vice President for Academic Affairs will notify the student and faculty member of the outcome of the case and of any University sanctions imposed. If sanctions include suspension or expulsion, the students Department Chair and/or Dean will also be notified. A student may not withdraw from the course in which an accusation has been made during the student conduct process. Students accused of academic dishonesty are entitled to the due process rights outlined in the Student Conduct Process of GSW.

RAIN (Registration and Academic Information Network)

The Registration and Academic Information Network (RAIN) allows students to access their academic and financial records on-line. Students can view holds, midterm grades, final grades, academic transcripts, registration status, class schedules, curriculum sheets, as well as their Financial Aid status, Account Summaries and Fee Assessments. RAIN provides a convenient method for students and faculty to obtain information via the web. It is a secured site which is continually expanding to provide 24 hour access to all students. Information is routinely added to RAIN, including term-specific notices and deadlines. Students must access RAIN to receive grades for all courses since grade mailers are no longer produced. Instructions for access to RAIN can be found at http://gsw.edu or in the Registrar's Office.

THE SEMESTER SYSTEM

The academic year is divided into two semesters (terms) of 15 weeks each and a summer term. New courses are begun each semester; hence, it is possible for students to enter the University at the beginning of any term.

SEMESTER HOURS OF CREDIT

Credit in courses is expressed in semester hours. Georgia Southwestern normally grants one semester credit hour for 50 minutes of instruction per week for 15 weeks; therefore, a typical three credit hour lecture class meets for 150 minutes per week. In addition, it is expected that the typical student will need to prepare for approximately 100 minutes preparation per week.

Exceptions to this contact time expectation are made for classes in which the faculty has judged that more contact time is required to meet the learning outcomes of the
class. For example, in task-oriented classes, such as studio classes, laboratories, clinical classes, classes with required field experience, and internships, the contact time may be closer to the combination of contact and preparation time expected for a lecture class.

Similarly, in distance education classes, each credit hour represents approximately 150 minutes of activity per week; therefore, a typical three credit hour distance education class will require approximately 450 minutes of activity per week.

The hour designation is X-Y-Z, found at the end of the courses description in the GSW Bulletin. X is the lecture contact time per week; Y is the lab or studio contact per week; Z is the credit hours. A typical three semester hour lecture class will appear as 3-0-3, while a typical science lab will be 0-3-1, and a typical physical education activity course will appear as 0-2-1.

**NUMBERING OF COURSES**

Each academic course is designated by numerals. Courses are numbered according to the following plan:

- Freshman and Sophomore: 1000-2999
- Junior and Senior: 3000-4999
- Graduate: 5000-8999

Courses numbered 0001 to 0999 are institutional credit courses.

**GRADUATE STUDIES**

**GRADUATE PROGRAMS AND ADMISSIONS**

Students wishing to make application to a graduate program at Georgia Southwestern State University must submit a complete admissions packet. Incomplete application packets will not be reviewed for admissions. Each school may have additional admission requirements as listed on the respective application check lists. The complete admissions packet is comprised of the following:

- Application for admission
- Non-refundable $25 application fee
- Official transcripts from all previously attended colleges and universities*
- Official test scores
- Proof of immunizations
- Letters of recommendation
Students applying for a Master's Degree in Business or Computer Science who already hold a master's degree in another area may submit an application packet without test scores. Admission will be granted based on the grade point average earned for the previous master's degree. International students in this category must submit official TOEFL or IELTS scores.

Students applying for a Master of Education degree must also include:

- Proof of eligibility for T-4 certification
- Applications to the Education Specialist degree must also include:
  - Proof of eligibility for T-5 certification

* International students must meet additional requirements and should refer to the section below on International Student Admissions

**APPLICATION DEADLINES**

Complete application packets for the following terms must be received by the deadlines listed below:

- **Fall admission**     May 31
- **Spring admission**  October 15
- **Summer admission**  March 15

Georgia Southwestern graduate programs provide advanced study in management, accounting, computer science, English, nursing and education. The degrees of Education Specialist (temporarily inactive), Master of Education, Master of Business Administration, Master of Science in Computer Science, Master of Science in Nursing, and Master of Arts in English may be earned.

The Master of Science in Nursing offers concentrations in nursing education, leadership, and informatics.

Admission to graduate studies is a prerequisite for enrollment in graduate courses. Courses numbered 5000 and above are graduate level courses. Education courses numbered 5000-5999 are for certification only. Education courses numbered 6000 to 7999 may be used in fifth year programs. Courses numbered 8000 and above are open only to fully admitted sixth year students. Students lacking the necessary preparation in business must take the appropriate 5000 level courses prior to beginning the Master's program in Business Administration. These courses may not be used to satisfy degree requirements for these programs.
Applicants who do not enroll in the term indicated on the application must inform the appropriate school/college or department of their plans and indicate a new date of entrance.

**TYPES OF ADMISSION**

There are six general types of admission to graduate studies at Georgia Southwestern State University: Regular (without conditions or with conditions), Personal Development, Post Baccalaureate, Transient, and Certificate Program only. The six types are described below.

Regular Admission (without conditions). An applicant in this category has completed all the requirements for admission to a specific degree program.

Regular Admission (with conditions). An applicant who does not meet all the requirements for admission to a specific degree program may be admitted with the condition that he or she must complete nine (9) hours of graduate credit with a grade no lower than B. At the time the conditions are met, the student's record will be updated to reflect the change to regular admission without condition. If the conditions are not met (a grade lower than B in those nine hours), the student will be expelled from the graduate program.

Personal Development. An applicant in this category must have a baccalaureate (undergraduate) degree from an accredited college or university. Graduate courses taken under this category cannot be applied towards a master's degree.

Post Baccalaureate. An applicant in this category must have a baccalaureate (undergraduate) degree from an accredited college or university. This type of admission allows one to take graduate courses for credit without pursuing a graduate degree, i.e. satisfying graduate level pre-requisite course requirements, enrolling in coursework to increase the undergraduate grade point average, renewing teacher certification, or pursuing a graduate level certificate which is not a part of degree program. Students who wish to have certificate courses apply toward a degree program must meet admission requirements without condition. Under no circumstances can more than nine semester hours taken under post baccalaureate status be used in a master's degree program.

Transient. An applicant who is currently admitted to full graduate standing at another recognized institution may be admitted as a graduate transient student, with permission from the home institution once official transcripts have been received. An applicant for transient admission must submit an application, application fee, official
transcripts from the home institution and a letter of transient permission from the appropriate dean of the student's home institution.

Certificate Program. An applicant seeking the certificate program offered by the School of Computing and Mathematics must have a minimum of a bachelor's degree from a regionally accredited college or university, or the foreign equivalent thereof. Click the certificate listed under the School of Computing and Mathematics information section.

INFORMATION FOR INTERNATIONAL STUDENTS

Georgia Southwestern State University welcomes applications from international students to its graduate degree programs.

In addition to requirements for admission to a graduate degree program listed elsewhere in this section, international students must submit the following items:

- Certified English translation of original transcripts from each institution previously attended. In cases where there is only one original copy, GSW will inspect the original copy, make a photocopy for the institutional records, and return the original to the applicant. A university/school official, embassy official, the Ministry of Education or the Ministry of Foreign Affairs, must certify English translations. Transcripts cannot be witnessed or verified by a notary public. Photocopies or faxes of evaluations or transcripts are not acceptable.
- All official international transcripts must have a foreign credential evaluation completed in English. Applications for this service can be obtained from the following website: http://gsw.edu/Academics/International-Student-Programs/index
- Certified copies of original diploma, degrees awarded and English translation of diploma, degrees awarded. The issuing institution must certify the degree certificate.
- An official report of scores on the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). A minimum TOEFL score of 69-70 (IBT) [193 on the computerized test or 523 on the paper test] or a minimum IELTS score of 6.5 is required for all types of admission to all graduate programs. Applicants who have received degrees from accredited institutions in the U.S. or from institutions in countries where English is the primary language are not usually required to submit TOEFL or IELTS scores. Under certain circumstances, an international student may meet all of the Georgia Southwestern guidelines for admission, but does not meet the
minimum TOEFL score (IBT - 69, or corresponding scores on other types of TOEFL examinations) or a 6.5 on the IELTS. These students may be considered for admission by the University. A student in this situation should contact the Dean of the School/College or Chair of the Department offering the graduate program sought by the student.

- A pre-entrance medical form (supplied by the University) completed by the student and a physician.
- Proof that the student is covered by a health and accident insurance plan annually.

Upon acceptance into a graduate program, a certified statement from the student's family, bank, or government that finances are available to cover educational expenses for the international student. This statement must be received by the appropriate school, college, or department offering the graduate program in order for an I-20 immigration document to be issued. There are assistantships available to be awarded on a competitive basis to qualified students.

F-1 International Students

Georgia Southwestern State University is part of the Department of Homeland Security's Student Exchange and Visitor Information System (SEVIS). Through this system, the University has become a liaison between GSW international students and a number of government agencies. To meet federal obligations imposed by these agencies, Georgia Southwestern State University is required to report certain personal, academic, and employment related data on international students and scholars to the Bureau of Citizenship and Immigration.

Georgia Southwestern State University is dedicated to enabling international students to accomplish their educational goals on our campus so long as the student maintains visa status and abides by the policies of the university. In an effort to assist students with immigration matters, each international student has been assigned a Designated School Official (DSO). All F-1 international students must consult a DSO before making any changes that will affect their immigration status. These changes include, but are not limited to, a change of major, a change of degree program, a change of address, a change of school, etc.

F-1 international students will be required to attend an international student orientation session at the beginning of each semester. The orientation session will inform and remind students of general international regulations that may affect their
stay in the United States. As part of the orientation, students will be issued an International Student Handbook to use as a reference for international questions and concerns.

Maintaining F-1 Visa Status

In order for international students to maintain a valid F-1 Visa status, the following conditions must be met:

- Maintain a valid passport at all times.
- Attend the university that the Bureau of Citizenship and Immigration (BCIS) has authorized you to attend by stamping your I-20 when you entered the U.S., or by being notified of your transfer to another school.
- Continue to carry a full course of study (12 hours for undergraduate students, 9 hours for graduate students) each regular semester (fall and spring).
- Apply with your Designated School Official promptly for an extension of stay if you are unable to complete your program of study by the ending date on your I-20.
- Apply with your Designated School Official for proper documentation to notify BCIS of a change of education level and/or a change in major.
- Do not change schools without first contacting your Designated School Official for proper documentation.
- Do not engage in any employment without proper authorization.
- Limit on-campus employment to 20 hours per week while school is in session.
- Report a change of address to the DSO and the Registrar's Office within 10 days of the change.
- Carry approved health insurance coverage.
- Request travel documents from your DSO in advance of leaving the U.S.
Master of Arts in English/Critical Literacy

Program description

Our proposed program tackles the explosion of literacies in our world and anticipates students need to learn and use these multiple literacies as each of the distinctive modes of communication develop. Such communication in diverse modes is essential to successful careers, leadership roles, productive citizenship, and a satisfying quality of life. Our degree invites students from all disciplines to engage in rigorous critique of today’s rhetorical modes.

This program, founded on the ancient traditions of rhetorical and critical inquiry, will seek to apply these traditions not only in existing oral, visual, and written contexts and modes, but also in the emerging digital contexts and modes. In addition, the interdisciplinary program will explore how emerging modes and contexts alter existing rhetorical and critical traditions, thereby building students foundations in the liberal arts and sciences.

The bulk of our face-to-face classes are offered during the summer with evening hybrid/online, and Saturday courses throughout fall and spring semesters, thus allowing our students to work and attend classes toward their degree.

Admission requirements

Successful applicants typically present a BA in English or its equivalent; a good undergraduate grade-point average, especially in upper-division English courses; acceptable scores on the GRE general test, and a graduate application found online. We also require three accurate and candid letters of recommendation from three professors who assess the applicants suitability for graduate work in English, a thoughtful Statement of Purpose, and a writing sample (approximately 10-15 pages) that demonstrates the applicants ability for graduate study.

1. A successful applicant should provide three letters recommendation letters.
2. Applicants will then fulfill the following admission requirements of the Masters of Arts in English:
   1. Graduate application for admission;
   2. Application fee of $25.00;
   3. Undergraduate transcript
   4. Three recommendation letters.
3. GRE score to meet the minimum requirement for regular admissions \((\text{Cumulative GPA} \times 200) + (\text{GRE score}) \geq 520\) verbal reasoning and 4.5 on analytical writing;
4. Medical and immunization record form;
5. No course with a grade below a C will be applied toward the MA degree.

Graduate students who fail to maintain academic standards will be placed under academic review at the end of the semester in which their status falls below the required standards.

**Regular without conditions**

Applicants who fully meet the graduate admission program requirements will receive a letter from the Director of the program indicating they have been accepted into the program and can begin to fulfill the requirements toward the MA in English.

**Regular with conditions**

Applicants who do not fully meet the graduate admission program requirements will receive a letter from the Director of the program indicating that they have not met the requirements for entry into the program, but may enroll for 3-6 hours of course work for one semester. At the end of that semester, the student must have maintained a \(\text{œB}^*\) in all coursework. If the student does maintain a \(\text{œB}^*\), he/she may continue in the program.

**Program Learning Outcomes**

Graduates of the MA in Literacy Studies will be able to:

- Distinguish the common and unique characteristics of various literacies, including written, spoken, aural, visual, or digital;
- Identify, use, and critique various discourses and codes of power in various media;
- Critique standards of literacy and analyze the cultural implications of those standards; and

3. No course with a grade below a C will be applied toward the MA degree

Graduate students who fail to maintain academic standards will be placed under academic review at the end of the semester in which their status falls below the required standards.

Graduate students must follow the Academic Integrity Policy for our institution, and if a student fails to adhere to our Policy, the student will be removed from the program.

**Students under Review**
Students under review will meet with their academic advisor and their respective faculty members to create a study plan for the students' current courses. SCHOOL OF BUSINESS ADMINISTRATION

MASTER OF BUSINESS ADMINISTRATION

Program description

The MBA program has strong business training that integrates knowledge from various functional areas, the expertise of our faculty and the real-world experience of our students. It reinforces strong values, ethics and service and acknowledges the multicultural influences driving today's market. Our program is based on developing key competencies that will help build a lifetime of success. The MBA degree program in business educates students in a broad range of knowledge and skills including finance, ethics, international business, management and marketing as a basis for careers as successful managers. Students achieve knowledge and skills for successful performance in a complex environment requiring intellectual ability to organize work, make and communicate sound decisions, and react successfully to unanticipated events. The program has been designed to promote career development and help students build personal and leadership skills.

The academic program consists of a minimum of 30 graduate semester credit hours in business-related courses. The curriculum consists of eight core courses and two elective courses. In addition, there are several prerequisite foundation courses. For
applicants whose undergraduate degrees were in business-related fields, these foundation course prerequisites will typically already have been met.

Applicants whose academic record does not include the foundation courses will be required to complete these prerequisites before being admitted into the MBA program. For students who have not previously earned a bachelors degree in business-related fields, the cumulative GPA in the foundation business courses must be at least 3.0 in order to qualify for admission to the MBA program.

**Admission Requirements**

Admission to the graduate program in business administration is limited to holders of a baccalaureate degree from a regionally accredited institution. Admission will be granted only to students showing high promise of success in graduate study. The candidate's performance on the Graduate Management Admission Test (GMAT) or Graduate Record Examinations (GRE) and the candidate's undergraduate academic record will be used to determine admission status. For students who submit GRE scores, a predicted GMAT score is determined based upon the GRE Comparison Tool for Business Schools, developed by the Educational Testing Service that administers the Graduate Record Examination.

The completed application packet, including all supporting documentation, must be received by the School of Business Administration by the deadline for each term. Contact the office of the School of Business Administration for further information. Applicants may apply for admittance during any semester.

The formulas to determine the student's admission status are

1. GMAT score/predicted score + (200 x the student's undergraduate GPA*) or
2. GMAT score/predicted score + (200 x the student's GPA in all upper-division undergraduate courses) or

*Grade Point Average (GPA) is based on a four point scale as reported on the official final transcripts from all institutions attended.

Students applying for a Master of Business Administration degree who already hold a master's degree in another area may submit an application packet without test scores. Admission will be granted based on the grade point average earned for the previous master's degree. International students in this category must submit TOEFL or IELTS scores.

**Regular without conditions**
- A minimum undergraduate overall grade point average (GPA) of 2.70 as reported on the official final transcripts from all accredited institutions.

- Completion of the prerequisite requirements

**Exemptions:** Applicants who have earned a previous masters degree are not required to take the GMAT or GRE for admission.

**Regular with conditions**

- A minimum undergraduate overall grade point average (GPA) of 2.70 as reported on the official final transcripts from all accredited institutions.
- A score of 900 or higher using formula (1) or 950 or higher using formula (2)

To exit conditional status, students must have completed all undergraduate prerequisite course requirements with a minimum grade point average of 3.0 and must have maintained a minimum grade point average of 3.0 with no grade below a "B" in the first 9 semester hours of master's level courses taken while classified as a conditional graduate student. The student may then be admitted as a regular student, subject to the approval by the Dean of the School of Business Administration.

**Competitive admissions statement**

Acceptance into the MBA program is competitive. The admission criteria listed above reflect minimum standards, and meeting these criteria does not guarantee acceptance into the MBA program.

**Program Learning Outcomes**

5. A grade of I may be given in extenuating circumstances. If a grade of I is not removed before the end of the following semester, it automatically becomes an F.
Students under Review

Graduate students who fail to maintain academic standards will be placed under academic review at the end of the semester in which their status falls below the required standards.

1. Students who have been placed under review will have early registration cancelled for the following semester. These students will not be able to register online and must report to their graduate advisor.
2. The Registrar will send the names of students under review to the Dean of the School of Education and the graduate advisor.
3. A student under review must meet with his or her graduate advisor to develop an Individual Remediation Plan (IRP) to demonstrate how the student can be returned to good standing. The plan will be forwarded to the Dean of the School of Education to sign before being placed in the student's file. A copy of the form will also be sent to the Registrar's Office.
4. At the end of the probationary semester, if the student is not successful in returning to good standing, the Dean of the School of Education will send a certified letter of dismissal to the student with a copy to the student's graduate advisor and the Registrar's Office.
5. Graduate students who are dismissed from the graduate program may write a letter of appeal within ten (10) class days from the receipt of the dismissal letter to the Vice President for Academic Affairs. Students re-admitted on appeal will have one additional semester to return to good academic standing.
6. Re-admitted students who do not return to good standing after the initial probationary semester will be dismissed from the program and the University.
7. Dismissed graduate students may re-apply for admission to the program after three calendar years. If the student is re-admitted, he or she must meet all requirements for the degree program at the time of re-enrollment. The years completed prior to dismissal will count towards the total seven (7) years to complete the degree. Readmission is not automatic. Each application will be considered individually.

SCHOOL OF NURSING

MASTER OF SCIENCE IN NURSING

Program Description

The Master of Science in Nursing is an online degree offered cooperatively by Georgia Southwestern State University (GSW) and Columbus State University (CSU), both fully accredited institutions in the University System of Georgia. This consortium allows students to enjoy resources from both schools. The 36-38 hour program prepares professional registered nurses for advanced practice nursing roles as culturally competent educators, leaders and informaticists.

All students enrolled in the program are required to take graduate core courses. The educator and leadership track have six (6) core courses and the informatics track has five (5) core courses. Additionally, students are required to select a concentration of nursing education, nursing leadership, or nursing informatics. Eighteen (18) credit hours are required in the education and leadership concentration and twenty one (21) in the informatics concentration. Included in each of these tracks is a 3 hour thesis or focused project.

The nursing education concentration focuses on preparing nurses to facilitate learning in various environments through the application of knowledge in instructional design, curriculum development, technology utilization, and evaluation of learning.

The leadership concentration focuses on developing nursing leaders who are able to influence, design, manage, transform, and evaluate the evolution of nursing services and care delivery.

The informatics concentration focuses on preparing nurses to become proficient in health information technology and essential informatics competencies to function within patient care environments.

THE UNIVERSITY SYSTEM OF GEORGIA

The University System of Georgia includes all state-operated institutions of higher education in Georgia—4 research universities, 2 regional universities, 13 state universities, 14 state colleges, and 2 associate degree colleges. These 35 public institutions are located throughout the state.

The Board of Regents of the University System of Georgia was created in 1931 as a part of a reorganization of Georgia's state government. With this act, public higher education in Georgia was unified for the first time under a single governing and management authority. The governor appoints members to the Board, who each serve seven years. Today the Board of Regents is composed of 18 members, five of whom are appointed from the state-at-large, and one from each of the 13 congressional districts. The Board elects a chancellor who serves as its chief executive officer and the chief administrative officer of the University System. The Board oversees the 35 colleges and universities that comprise the University System of Georgia, Skidaway Institute of Oceanography and The Georgia Public Library System.

The Chair, Vice Chair, and other officers of the Board of Regents are elected by the members of the Board. The Chancellor, who is not a Board member, is the chief executive officer of the Board and the chief administrative officer of the University System.

The overall programs and services of the University System are offered through three major components: Instruction; Public Service/Continuing Education; Research.

INSTRUCTION consists of programs of study leading toward degrees, ranging from the associate (two-year) level to the doctoral level, and certificates.

Standards for admission of students to instructional programs at each institution are determined, pursuant to policies of the Board of Regents, by the institution. The Board establishes minimum standards and leaves to each institution the prerogative to establish higher standards. Applications for admission should be addressed to the institutions.

PUBLIC SERVICE/CONTINUING EDUCATION consists of non-degree activities, primarily, and special types of college degree-credit courses. The non-degree activities include short courses, seminars, conferences, and consultative and advisory services in many areas of interest. Typical college degree-credit courses are those offered through extension center programs and teacher education consortiums.
RESEARCH encompasses scholarly investigations conducted for discovery and application of knowledge. Most of the research is conducted through the research universities; however, some of it is conducted through several of the regional and state universities. The research investigations cover matters related to the educational objectives of the institutions and to general social needs.

The policies of the Board of Regents provide a high degree of autonomy for each institution. The executive head of each institution is the President, whose selection is recommended by the Chancellor and approved by the Board.
