

Calculating My Grade Point Average

Each letter grade has a point value:

- A=4**
- B=3**
- C=2**
- D=1**
- F=0**
- WF=0**

A student may determine the grade points for each course by multiplying the number of points a grade is worth times the number of credit hours the course carries. For example, a "B" (worth 3 points) in a 3 credit hour course is worth 9 grade points and an "A" (worth 4 points) in the same 3 credit hour course is worth 12 grade points. The grade point average is calculated by adding the total grade-point values for all courses and dividing by the total number of credits attempted during the same period.

Example:

- MATH 1111 (3) credit hours (X) Grade "A" (4 points) = 12
- ENGL 2111 (3) credit hours (X) Grade "C" (2 points) = 6
- HIST 2112 (3) credit hours (X) Grade "F" (0 points) = 0
- BIOL 1020 (1) credit hour (X) Grade "B" (3 points) = 3
- Total Hours (10) = 21 Points
- 21 Points divided by 10 credit hours = 2.1 gpa

WORKSHEET

To calculate your Term GPA:

Class Schedule for current term (Note: Qpts = Quality points)

Course Name: _____	hours: _____ (x)	Qpts. For grade: _____	=	_____ Qpts.
Course Name: _____	hours: _____ (x)	Qpts. For grade: _____	=	_____ Qpts.
Course Name: _____	hours: _____ (x)	Qpts. For grade: _____	=	_____ Qpts.
Course Name: _____	hours: _____ (x)	Qpts. For grade: _____	=	_____ Qpts.
Course Name: _____	hours: _____ (x)	Qpts. For grade: _____	=	_____ Qpts.
Total Hours: _____				_____ Total Qpts.

Use **Formula**: Divide total quality points by total hours to calculate term GPA

Total **quality points** _____ divided by total **hours** _____ = term **GPA** _____

To calculate your GSW Cumulative GPA: (you will need to use your on-line transcript for current Qpts & GPA hrs located at the end of your transcript. DO NOT use Earned or Passed Hours to determine GPA. Grades of I, S, U, or W do not count in GPA.)

Step 1:	Add Previous Total Quality Points (from transcript)	_____	+	
	Current Term Quality Points	_____	=	
	Total Cumulative Quality Points	_____		
Step 2:	Add Previous Total GPA Hours (from transcript)	_____	+	
	Term GPA Hours	_____	=	
	Total Cumulative GPA Hours	_____		

Final Step

Total quality points*(From above) _____ divided by total GPA hours**(From above) _____ =

Cumulative GPA _____
