I agree that, should I be accepted, I will attend classes as scheduled for the cohort. I understand classes will be held according to the posted tentative schedule (**which is subject to change**).

I understand the program is an intensive cohort program that will be delivered in the sequence of Summer, Fall, Spring, and the following Summer semesters.

I certify that I am prepared to make the adjustments necessary in my schedule to allow me to participate in all classes and complete all program requirements and expectations.

If I am unable to complete program requirements for the assigned cohort for the scheduled period of time, I understand I will be required to apply for readmission to the appropriate scheduled semester. The School of Education Graduate Admissions Committee, which will consider the candidate's previous performance in addition to normal admissions criteria, will review the application and make a decision regarding readmission. Re-entry to the program is *not* guaranteed. Approval by the Graduate Admissions Committee is required for me to resume the program.
