

## **Graduation**

**Students in the School of Nursing must meet the graduation requirements and application for graduation deadlines found in the Georgia Southwestern State University [Undergraduate Bulletin](#).**

**It is the student's responsibility to submit the completed Application for Graduation to the academic advisor by the first two weeks of the semester proceeding the graduating semester and pay the graduation application fee to the Office of the Registrar by the required date. Students are expected to be aware of and meet all deadlines for graduation.**
