

IMMUNIZATION TRACKER COMPLIANCE

Noncompliant Students Submitting Required Documents Policy The Clinical Services Manager must submit verification of currency of all required clinical requirements (refer to Pre-Clinical Requirements in Handbook) several weeks in advance to the clinical agency where students will be assigned the following semester. Students who do not complete requirements by the deadline established by the Clinical Services Manager will be removed from all clinical courses in which they are registered for the following semester. The student will not be permitted to enroll in any clinical course the following semester. This will negatively impact the student's progression in the program. Students who become non-compliant with any clinical requirement during the course of a term will not be able to attend clinicals and thus will be required to withdraw immediately from all clinical courses. If this occurs prior to the last day to withdraw without academic penalty the student may withdraw from the course without academic penalty. If this occurs after the last day to withdraw without academic penalty it will result in a clinical unsatisfactory and failure of the course.
