

PRESIDENT JIMMY CARTER LEADERSHIP PROGRAM

Do you have what it takes to be your generation's next leader?

The President Jimmy Carter Leadership Program honors the life and legacy of GSW alumnus and former U.S. President Jimmy Carter who has exemplified a lifetime of leadership in education, politics, community service, eradication of diseases, and world peace.

About the Program

The program consists of two pathways: an undergraduate research track and a service track.

Year 1: students focus on individual growth & development

Year 2: students work collaboratively in a group setting

Year 3: students choose between research or service track

Year 4: students develop senior research or service project
