***Physics can be used as part of the 16 hrs. of science/math electives for South.**

Electives are only partially "elective" in that one course in each of the following categories is required and a choice is available only when multiple entries exist in a category:

Elective A ARTC 1100, MUSC 1100, THEA 1100, ENGL 21XX-LITERATURE COURSES

Elective B ANTH 1102, PSCY 1101, SOCI 1101, HIST 1111, HIST 1112

Elective C HIST 2111, HIST 2112

Elective D POLS 1101

Elective E ECON 2105

Elective F COMM 1110

Elective G MATH 1401 (formerly MATH 2204)

UGA requires 69 credit hours of coursework. For UGA, you must complete 9 hours of "World Languages and Culture." Courses that satisfy this requirement include: HIST 1111, HIST 1112, ANTH 1102, SOSC 1101, foreign language courses, and world

literature courses. For more information please refer to http://www.rx.uga.edu/admissions/pharmd_admissions.html

Mercer requires 66 credit hours of coursework. All science labs that include a laboratory component must be completed on campus (not online) and must be majors' courses. At least one elective course must focus on cultural diversity. Examples of courses that fulfill this pre-requisite are: cultural anthropology, cultural geography, world literature, world religions, women and gender studies, cultural studies in specific languages.

South University requires 60 credit hours of coursework. All science courses that include a laboratory component must be completed on campus (not online) and must be majors' courses. Preferred courses that will meet the science/math electives include: Microbiology, Molecular or Cell Biology, Genetics, Immunology, Statistics, Biochemistry or Physics.

PCOM requires 60 credit hours of coursework. All science labs that include a laboratory component must be completed on campus (not online) and must be majors' courses. Biochemistry and Microbiology are currently not required for admission.

Summer Semester may be used for background coursework or for adjusting curricular requirements on an individual basis.
