Interns and employers are expected to fulfill the following responsibilities. Print and sign the form indicating your acceptance and commitment.

Employer Responsibilities

1. Provide meaningful internship experiences for students.
2. Provide direction and a supportive learning and working environment for interns.
3. Maintain open communication with the intern and internship coordinator.
4. Submit evaluation forms at mid-term and at end of the semester (term). Evaluation forms should be uploaded to the LMS course by the intern, following dates provided in the course.
5. Discuss duties and responsibilities with the intern and provide a signed copy of the agreement to the intern prior to the start of the term.

Questions related to duties and responsibilities of the employer should be directed to:

Dr. Shannon Perry, Department Chair, Computing

College of Business and Computing

800 Georgia Southwestern State University Drive | Americus, GA 31709

Phone: (478) 304-1491 | Email: shannon.perry@gsw.edu

**College of Business and Computing
An AACSB Accredited School**

800 Georgia Southwestern State University Drive | Americus, GA 31709
(229) 931 - 2090

Intern Responsibilities:

1. Professionally and confidentially perform duties defined by the Employer as reflected in the position description.
2. Work 15-20 hours/week throughout the semester or summer in the Employer (at least 120 hours are required for completion of the internship).
3. Be dependable, reliable, and honest.
4. Be prompt.
5. Display a positive and enthusiastic attitude about internship activities.
6. If desired by the Employer, provide well researched recommendations for organization enhancement.
7. Complete course requirements as identified in the LMS, including attendance requirements, evaluation forms, and the final report. Specific due dates are provided in the LMS course.
8. Submission of the Supervisor evaluation at midterm and semester end is your responsibility.

A. Please explain the duties and responsibilities for this position. You may attach a job description if necessary.

B. Describe the learning and experimental outcome to be derived by the student intern.
