MEMORANDUM

TO: Faculty Senate  
FROM: Neal Weaver *Neal*  
DATE: January 22, 2018  
RE: Inclusiveness at GSW

I am in receipt of the letter dated 11/10/17 sent on behalf of the Faculty Senate. I appreciate your commitment to Georgia Southwestern State University, its new mission and the Strategic Plan, and thank you for bringing to my attention your concerns and request for policy clarifications. I have shared your concerns with the Cabinet members, the Diversity Council, and the Strategic Planning Steering Committee and have solicited their input and suggestions.

I look forward to continuing a productive dialogue across campus regarding strategic plan section 2.1.1 and how the GSW community will interpret and implement activities and programs to produce the outcomes we desire.
