

Dr. Neal Weaver  
President  
Georgia Southwestern State University

November 10, 2017

Dear President Neal Weaver,

The Faculty Senate strongly supports the mission of GSW and our new Strategic Plan. We especially want to emphasize the section where GSW promotes the transforming of campus connections to "support a campus environment where the pursuit of excellence, respect and civility prevail in all interactions as we embrace our diverse community through the recognition of differing religious affiliation" (SP 2.1.1). We are recommending that GSW has a clearly written policy stating that there will be no specific religion favored by any agent of the university to include religious holiday celebrations, invocations, public prayer etc.

Sincerely,

Chair, Faculty Senate, on behalf of  
The Faculty Senate of 2017-2018
