

# FINANCIAL AID CHECKLIST

GEORGIA SOUTHWESTERN  
OFFICE OF STUDENT  
FINANCIAL AID

## STEP 1 – Applying for Financial Aid:

**Electronically submit your FAFSA using 2023 tax information!**

Go to [studentaid.gov](https://studentaid.gov) to complete your FAFSA; include the School Code: **001573**. Complete your FAFSA at least 30 days prior to the published deadline to allow enough time for us to receive your FAFSA and for you to submit any additional documentation.

 **HELPFUL TIP:** Make sure you and your contributor(s) provide consent to transfer your tax data from the IRS to your FAFSA. You will not be eligible for Federal Aid unless you do.

**Respond in a timely manner to any request for verification/documentation!**

The Department of Education randomly selects FAFSA applications for verification. If your FAFSA is selected, you will be required to submit additional documentation.

**NOTE:** It can take up to two weeks to receive an award once you have submitted all required documentation.

**Check your status:** Visit [gsw.edu/status](https://gsw.edu/status) for updates until you register. Once registered, you should check the financial aid tab in RAIN.

**Financial aid does not transfer from one school to another!** If you are a transfer student, you will need to add the 001573 school code to your FAFSA and cancel all pending loans or grants at the school where you last attended. After requesting cancellation at your previous school, please notify GSW that your loans and grants have been canceled by emailing: [finaid@gsw.edu](mailto:finaid@gsw.edu)

If you had HOPE at your previous school, please complete a HOPE Evaluation Form. The form is available at [gsw.edu/StudentForms](https://gsw.edu/StudentForms).

 **HELPFUL TIP:** Aid will not show as canceled until your previous school reports the cancellation to the Department of Education and the cancellation shows in the National Student Loan Database System (NSLDS). We cannot proceed with processing until aid is fully canceled.

## STEP 2 – View Detailed Information on your Outstanding Requirements:

### STEP 4 – Next Steps after you Accept your Awards:

Complete Loan Entrance Counseling at [studentaid.gov](https://studentaid.gov) using your FSA User ID and password.

 **HELPFUL TIP:** Loans will disburse 7-10 business days after completing Entrance Counseling (EC) & Master Promissory Note (MPN).

Sign Your Master Promissory Note (MPN) at [studentaid.gov](https://studentaid.gov) using your FSA User ID and password.

 **HELPFUL TIP:** Loans will disburse 7-10 business days after completing EC & MPN.

To apply for a Parent PLUS Loan, please have your **parent** visit [studentaid.gov](https://studentaid.gov) to submit a PLUS Loan application using the parent FSA User ID and password. A credit check will be performed during the application process and a decision will be made once the application is submitted. **Loans will be awarded 7-10 business days after completion.**

If the PLUS loan is approved, your parent must complete a Parent PLUS Loan Promissory Note and Entrance Counseling at [studentaid.gov](https://studentaid.gov) using their FSA User ID and password. The PLUS Loan will not disburse until this step has been completed and confirmation received by GSW.

If the PLUS loan is denied, your parent must select “Will not pursue PLUS loan” during the application process for GSW to award you additional loan funding. The student should visit [gsw.edu/StudentForms](https://gsw.edu/StudentForms) and complete the Direct Student PLUS Loan Options Form choosing Option B. The student’s signature is required.
