EMPLOYMENT INFORMATION

Must be completed by the employer.

Students who are maintaining F1/J1 status are eligible to work on campus. Work performed on the school premises is "on-campus" employment as long as the employment provides direct services to students. If you are unclear if a job would be considered "on-campus" employment, please check with PDSO Tammy Middleton (Canes Central, 130).

Also, students are permitted to work a maximum of 20 hours per week while classes are in session and full-time during holidays or school vacation periods, provided the student intends to enroll full-time during the academic term following the vacation period. On-campus employment is not permitted after graduation (other than with work permission through Optional Practical Training) unless the student has been accepted, received an I-20, and is planning to enroll in a new educational program at the same educational institution.
