### PLACEMENT TESTING

All students must take the Compass Examination and the Michigan Placement Test upon arrival at GSW.

Placement test results will determine the level at which the student begins the Certificate program.

If scores on Placement test fall below minimum required standards, students will be placed in remedial courses until competency improves.

Students who place at the Bridge level may receive credit for the Advanced level courses as deemed appropriate by the Program Director.

### Program Completion

In order to complete the program and earn the certificate, students must complete all of the following requirements within one calendar year:

1. Earn a minimum of 19 semester hours of credit.
2. Earn the appropriate average score on MTELP and MLCT combined with the ELI Composition Examination. See the ELI office for details.
3. **Earn a minimum TOEFL score of 523/193.**
4. **Follow the Certificate attendance policies and requirements as listed in the ELI student handbook.**
5. An extension can be granted so long as the student continues to make satisfactory progress and adheres to all policies.
