

Georgia Southwestern State University **STORM TRACKS**

Department of Biology

B.S. in Biology (all paths)

YEAR 1		
Fall Term I		
Course	Credits	✓
Area F CHEM 1211 w/1211L	4	
Area A1 (ENGL 1101 req)	3	
Area A2 (=>MATH 1113)	3	
UNIV 1000 (grad.req.)	1	
BIOL 1221 - 1st-yr Bio.Sem. (req.)	1	
Option		
BIOL 1222 – Introd.to Research	2	
OR PEDS 2000 (grd req)		
Semester Total Hours	14	
Spring Term 2		
Area F CHEM 1212 w/ 1212L	4	
Area A1 (ENGL 1102 req)	3	
Area B (CIS 1000 recommended)	3	
Area E (choose)	3	
Area B 2nd course (LIBR 1101 recommended)	2	
Option (Depended on Fall)		
BIOL 1222 – Introd.to Research	2	
OR PEDS 2000 (grd req)		
Semester Total Hours	17	
YEAR 1 HOURS	31	
Milestones		
Meet Advisor Term (T) 1 and T2		
Complete Area A by end of T2		
Comp.2-3 Windows 2World Sem by end of T2		

YEAR 2		
Fall Term 1		
Course	Credits	✓
Area F BIOL 2107K	4	
Major Course CHEM 3301 w/ lab	4	
Area C Literature course	3	
Area D MATH 1120 OR 1401	3	
PEDS 1010 (grad. req.)	1	
Semester Total Hours		
	15	
Spring Term 2		
Area F BIOL 2108K	4	
Major Option 1 (3 or 4 hrs)	3	
Major Option 2	3	
Area E (choose)	3	
Free Elective	3	
Semester Total Hours		
	16	
YEAR 2 HOURS	31	
Milestones		
Complete 10 hrs. community service		
Consider Internship for next yr.		
Comp.2-3 Windows 2World Sem by end of T2		

YEAR 3		
Fall Term I		
Course	Credits	✓
Major Option 3	3	
Major Option 4	3	
Area D course from list A - Physic I or Geology I	4	
Area E (choose from the require courses)	3	
Area C - Appreciation course	3	
Semester Total Hours		
	16	
Spring Term 2		
Major Option 5	3	
Major Option 6	3	
Area D course from list A - Physic II or Geology II	4	
Area E (choose)	3	
Rec-Major Course – BIOL 4010A - Research I	1	
Rec -Major Course BIOL 4730 - Internship	1	
Semester Total Hours		
	15	
YEAR 3 HOURS	31	
Milestones		
Capstone Research Mentor Fall term		
Start Capstone Spring term		
Complete internship		
Comp.2-3 Windows 2World Sem by end of T2		
Create Resume		

YEAR 4		
Fall Term I		
Course	Credits	✓
Major Option 7	3	
Major Option 8	3	
Major Option 9	3	
REC - Major Course BIOL 4010B - Research II	2	
Major Option X (if needed)	2	
FREE Elective	3	
PEDS Activity ((grad.req.)	1	
Semester Total Hours		
	17	
Spring Term 2		
Major Required 10 - Ecology	4	
Major Option 11	3	
Major Option 12	3	
Major Option 13	3	
FREE Elective	3	
Semester Total Hours		
	16	
YEAR 4 HOURS	33	
Milestones		
Complete W2W capstone		
Complete ETS Major Field Exam (Grd. Req)		
Update Resume		
Complete First destination Survey		

See next table for options and recommendations based on Career Pathway.

Please note that these are suggested not require pathways. Course rotations may very change due to resource availability. Use the Curriculum Sheet and **Degree Works** to identify required courses. Make sure you speak to your advisor frequently to stay on your path to graduation.

Term	Major's	Pre-Professional	Cell/Micro Research	Organismal	Plant Science
Fall 1	ALL	CHEM 1211 w/1211L	CHEM 1211 w/1211L	CHEM 1211 w/1211L	CHEM 1211 w/1211L
